The week could not have started better than with the announcement that Mrs Lindie Louw will become the new Head of Hazelwood from September 2016. I have known all along that she was the very best person for the job and I am delighted that the rigorous and thorough interview and selection process has confirmed my opinion. I would like to say huge congratulations to Mrs Louw and thanks to the Governors all of who played a vital part in choosing my successor. I can certainly sleep more easily now and will leave in the summer, sad that my time at Hazelwood has come to an end, but happy in the knowledge that the school is in the most caring, most vigilant and most dynamic of hands. I can think of no one better to lead the school on the next exciting phase of its wonderful journey. She has the full support of the staff team behind her who I know she will lead with vision and inspiration. Mrs Louw is very thankful for all the very many messages of congratulations which poured into her inbox on Monday. Thank you for taking the time to acknowledge her appointment and to lend her your support also.

This week was also very monumental in that the Governors on Monday were presented with the name suggestions for the new building. All agreed that the thing of absolute beauty taking shape behind the hoardings has been known for far too long as ‘The New Building’ or as ‘Project CAVE’. The Board was equally unanimous in its accord with regard to the breadth and depth of the naming suggestions put forward by the staff, the parents and particularly by the children. There were very many to choose from, all of them worthy names for different reasons. In the end they chose a name which will be as relevant and linked to the school now as it will be in a hundred years. They selected a name which will be easy to say everyday and which does not rely on anything else around it remaining unchanged. Whilst names such as Blossom, Heart, Brexit, Swoosh and Cocoon were worthy of real consideration, there was a concern that none would perhaps stand the test of time as well as a name connected to the history of the school – the dig had after all begun in the year of our 125th Anniversary. Again there were many worthy, historical suggestions (including the Shaw Building to bring us right up to date) but The Baily Building mustered the greatest number of supporters and votes. So the Baily Building is born and, according to the latest schedules, will throw open (or rather quietly glide open) its doors ready for the start of the

Mrs Louw, Mr Walton and Mr Tappin have all signed up for the HeroBear Triathlon. Have you? Don’t give them too much of a training head start or you won’t catch them on race day.
autumn. I am delighted that it now has an identity which it can grow into so that when September comes around, the Baily Building, whilst new and hugely exciting, will feel like part of the Hazelwood community. We cannot wait to share it with you. Representatives from the HPA went round today so that they can see where their generous donation, on your behalf, for outdoor planting and furniture will be put to good use. We are looking to hold Open Houses both before and at the beginning of term to which you will all be invited. Our newly appointed New Build Ambassadors (or should that now be Baily Ambassadors?) will be your hosts for the duration of your tour.

Our Senior IAPS Regional Champions had to make room on the winners’ rostrum for those Lower School athletes who too excelled at the Junior IAPS Championships on Monday. Rain had previously washed out the athletics meet at Hurstpierpoint College and at morning drop off there were a few menacingly black clouds. Rain, however did not stop play and the sun shone, even managing to return some of the children and staff slightly more pink in the face than when they went (giving credence to the adage that ‘behind every rain cloud, the sun is shining’!) My congratulations go, once again, to the whole team where some valiant and committed performances earned the school some second (Julia N-F) and third places (Hannah R, Max E, Natasha B, Camilla E, Hannah R and Jas F) all of which are hugely impressive at this level of competition. For those children who crossed the finishing line in first place, WOW! What an achievement. Take your bow Luke D (1,500m and running up a year), Jas F (hurdles and 200m sprint), Daniel H (hurdles) and Thomas H (100m sprint). With no National Finals at junior level these children can bask in their glory without having to focus and prepare to run and jump again! The sporting year, whilst not quite ended (Good Luck to the senior athletes at the IAPS Nationals on Monday), has seen the school finish with more IAPS champions or near champions than ever before.

And finally I would like to say thank you to Mr Fagg and the staff of the Upper School who put together and delivered such a varied and engaging End of Exams programme for our Year 8 children. Whilst there is some emphasis on fun and team building, there are activities woven into the programme which teach the children valuable lessons for their onward journey. They have had cookery classes, engaged with career exhibitions and business workshops and even learned how to throw an assailant to the floor in Self Defence Lessons. For the children it’s a time to relax a little after the exams and to enjoy a less formal structure to the day. For the staff it’s business as usual and more. More organisation and planning, more vigilance towards child safety and more motivation and inspiration to keep spirits high on a very damp visit to Camber Sands!

I look forward to seeing as many of you as possible at one of the events planned over the course of the next week to mark the end of what has been a busy, hugely monumental, massively successful and yet to be emotional year at Hazelwood.

Due to the revised end of term schedule, there are no dance classes next week commencing 4th July. The dance teachers all wish everyone a wonderful summer break.
For a list of emails/letters/texts sent home each week please see the ‘Notice Board’ further down the Nutshell.

**News from The Nursery**

As another busy week draws to a close, I feel relieved that we haven’t floated away with the amount of rain we have had. The poor weather hasn’t dampened the spirits of the children at the nursery and early years who have provided sunny smiles on a daily basis.

This week the Skylarks had their Teddy Bear’s picnic where they had the opportunity to meet new friends who will be joining them in Oak Reception, and to meet their new teachers. The Oak building remained remarkably calm as 47 children descended on the classrooms – long may this last! In addition to this, the Skylarks children have enjoyed playing lots of movement and listening games and I understand they are getting rather good at Bingo.

Top Robins have had fun painting their favourite animals and they have had a very realistic hair salon with professional style model heads to work on with all the accessories. They have also enjoyed cutting and matching numbers.

Bottom Robins have made a giant Peppa Pig which is a delight to see on their display. They have also spent time practicing for sports day and making trophies and medals for what should be a very exciting sports morning on Friday. The children have been fascinated by our tadpoles, some of which have made the transition to froglets.

Thank you to everyone who took part in Golden Boot Week. The walking Bus made it through the rain and there were many more families walking to school. I think the Planet breathed a sigh of relief as its demise was somewhat halted by a few trillion years because of our efforts.
Wagtails have had an exciting Pirate week with dress up day on Wednesday. They have made a pirate ship out of boxes and got up to all sorts of swashbuckling adventures. They have enjoyed sorting and recognising numbers on our new number shells.

Wrens have enjoyed a whole body painting session which was a gloriously messy affair with 12 nappy clad children running through the paint and making tracks and patterns with toy cars. They have also spent lots of time on the covered decked area – not to be put off by the wind and rain and enjoyed some a soft play session in the gym.

Hopefully, weather allowing we will bring you the highlights from Sport Day next week. I’ve told the children to keep singing our ‘Happy Sun High’ song to encourage the sun out. Apologies to those parents whose children took this literally!

**Reminders for next week:**
Tuesday 5th July – Nursery & Early Years Photo session from 9.30am-11.30am. To include sibling photos. Please let the early years office know if you would like a sibling photo.
Wednesday 6th July – Class Swap Day. Please refer to email from early years office for full details of plans for the day.
Thursday 7th July – Oak Sports Day – Hazelwood Main Site
Friday 8th July – End of Term for term time children – Oak reception finish at 12.30 all other children finish at the end of their usual session.

**News from Hazelwood**
This term we have been running the first triathlon club after school and what a better way to end the term than with a professional triathlete visiting the potential triathletes of the future.

Amy Forshaw, 2014 Ironman Wales Champion came along with all of her competition equipment and plenty of advice. Her track record is as impressive as her bike and everyone benefitted from the wise words of a professional. Amy will be joining us again at the Help For Heroes triathlon in September - these smiling faces have already got their training underway and are keen to take part, make sure you get your forms filled in and registered for your race too.

**Show jumpers wanted for the All England Showground**
Mrs Lowe is keen to hear from any potential show jumpers to make a team together of 3 or 4 to attend the Hurst Prep showjumping competition held at Hickstead in September. Riders need to be able to complete a round of show jumps and to have had previous experience of attending competitions. Heights start from 45-50cm. It is a great competition and a fantastic opportunity to compete at the All England Showground. If anyone is interested please contact Sarah Lowe  lowes@hazelwoodsoschool.com stating experience, details of horse you own or can borrow, and height you would be prepared to jump.
The summer is finally here and Schoolblazer are beginning their back to school season, with 80% of their annual orders expected to be placed during the next 10 weeks. They would love you to shop early and help to make the end of August as stress free as possible for everyone. To boost early orders, they are offering FREE delivery.

News about Books

The Big Readcycle!
The Big Readcycle aims to raise money for Marie Curie by collecting old books from WH Smith customers to be re-sold in Marie Curie shops. The campaign runs until 31 August. Just take your old books (children's and adult books) into any WH Smith store and you will receive a 25% off voucher on your next purchase of books at WH Smith. One voucher for each book donated! Vouchers valid until 14th September. http://blog.whsmith.co.uk/the-big-readcycle-how-to-join-in/
This is a great way to hand on old books and choose some new books with your children! Might help with their Summer Reading Challenge reading!

Kids' Week
This is a website worth looking at as it allows children to go for free to London's West End shows when accompanied by a full-paying adult in August.

Books adapted for the Stage!
There are a lot of wonderful plays on this summer adapted from children's books. Log onto:

For general reading about the latest in children's books, go online to Books for Keeps, the best online monthly online magazine for writing about children's literature. Also read the Guardian's main book site which - from 8th July - will be including its children's book site within its main book site. Always a good read.

Please encourage your children to do the Hazelwood Summer Reading Challenge!
Summer Reading!
Towards the end of term, your children will be bringing back a Hazelwood Summer Reading Challenge form. As many of you will know, this is voluntary, so it is entirely up to you and your children if they wish to take part. We ask each pupil taking part to read ten books during the summer holidays, and for each book to be signed off by you, as a parent. It would be really good if you could discuss the books they are reading too. The long summer break is a great time to devote some time to enjoying reading for pleasure.

All forms will need to be in with us in the library at the start of next term. Each participating child chooses a book as a gift from Hazelwood for reading the ten books. An Assembly will take place to congratulate all who have completed the Challenge.

If anyone would like to pop in to talk about books for their children and suggestions for the summer holidays, please just email us as we can arrange a time for you to come into the library and have a chat. We would love to meet you.

Author Talks
Some of your children will have read books by Tom Palmer. He will be at the Imperial War Museum in London on Friday 5th August signing his Wings series at 11am to 1pm and 2pm to 4pm and at the Imperial War Museum in Duxford on Sunday 7th August at the same times. For more information go to [www.rafmuseum.org.uk/london/whats-going-on/events.aspx](http://www.rafmuseum.org.uk/london/whats-going-on/events.aspx) The books are aimed at 9 years and above.

Mrs Kath Dymoke and Mrs Nicki Wisniewski
Hazelwood Librarians

Two further masterpiece canvasses created by the Year 7 pupils in response to the Alice in Wonderland (Tim Burton) theme. Magnificent and so individual.
The children in Skylarks this week put the dreadful summer behind them and dreamt instead of summer sunshine and Euro 16 Finals. They have been growing strawberries and this week they got their first taste of them. They were absolutely delicious and worthy of Centre Court at Wimbledon. Elsewhere Guillem and Felix needed all their concentration to build a tower out of all the wooden dominoes and the children took over the garden, marked out a football pitch and showed the England team how to score goals!

It was the final week of cookery club and it ended in good taste! Children made their own healthy party 'nibbles' which consisted of ladybirds, flowers and penguins and they were presented with prizes and their very own cookbook. They have worked incredibly hard this term and have learnt new skills involving baking, chopping and knowing how to season. Well done to all of them!
Getting in the Rio Carnival Spirit
The Year 1 children entered the spirit of carnival this week. On Monday we held our Rio Day for our current topic on the Olympics. The children created their own Olympic relay games on the Chestnut playground. They moved and made music to some Brazilian samba music and enjoyed following the map around the school site to find different sporting events.

In the afternoon, the children created their own marvellous headdresses in preparation for our carnival parade just before the end of the day.

The children and staff had a fantastic day and can't wait for the games to begin!

Dance Department
The Senior Dance Presentation takes place next Monday 4th July. Pictured are Maddie H and Lelia P trying out their tap costumes.

The performance is in the theatre at **4.30pm not 5.00pm** as published in the calendar. There is no need to book, all are welcome. Any queries please contact Judith Essex on 01959 564565 or email judithlessex@aol.co.uk

A full listing of the dance classes available at the school from September appears towards the end of The Nutshell.

Sports Photos are on Tuesday. Please remember to send all kit in washed and looking pristine. Thank you.
Junior IAPS Success

As the term draws to a close the Athletics squads continue to reach new heights. On Monday the rescheduled Junior IAPS offered a first taste of regional competition for our young year 4 and 5 pupils. We were not to be disappointed. Several hours into the day and sun-blushed, team Hazelwood returned with 5 Golds, 1 Silver and 3 bronze medals. Julia Fowler-Naismith was our solitary silver medalist in the ball throw event with a distance of 27.44 metres. A great throw (a new school record) and only narrowly missing out on the gold. Max Ejje soon followed with a Bronze in the High Jump. 1.15m a good jump given the lack of practice opportunity this term.

Lunchtime arrived and we took the opportunity to move base camp to avoid the unexpected midday sun. Clearly the plan worked as straight after the interval Luke Danby (running against the year above) won the 1500m in style. Running on a 400m track confused Luke slightly and he set off for a sprint finish with a full 500m left in the race. As Luke crossed the finish line thinking the race was over, only to find he had 400m remaining, you would have thought he might fade but in typical Luke fashion he kept on going. The 50m gap he had opened up on the previous lap proved to be a stroke of genius as he was strong enough to keep the large lead intact. A fantastic run.

Clearly inspired by Luke’s exploits Hannah Rhodes took on the slightly shorter yet equally daunting 600m race. Hannah was in contention throughout the race and held firm for a bronze medal despite strong competition. Next up were the hurdles. We had high hoped for Jas Fletcher and Daniel Hayden who both qualified for the finals in 1st place. Jas lived up to
expectations and romped home. Daniel found his race somewhat less straightforward. Jumping the last hurdle Daniel was a full stride behind the leader but with grit, determination and outstanding technique Daniel dipped for the line at exactly the right moment. None of the officials, parents or staff could tell with any certainty who had won. Thankfully Hurst had used iPad technology and were able to replay the finish in ultra-slow motion. Daniel had won by less than 0.01 of a second. Also setting a new school record.

Thomas Higgins was next up in the 100m final. After one of his competitors false started the race was delayed by 10 minutes. This would put most athletes off their stride. It seemed however to spur Thomas on. An outstanding run resulted in our 4th gold medal for this up and coming star.

If Jas Fletcher was any more laid back she would be asleep. She quite literally seems to take everything in her stride. This is exactly what she did in both the 200m qualifying round and the final. Jas raced to victory setting to personal bests along the way and bring home our 5th gold. Jas set new school records in both the hurdles and 200m events.

Our final medal of the day came in the 4x100m year 5 girls relay event. Strong runs from Natasha Browning, Camilla Eerdmans, Hannah Richards and Jas Fletcher securing a bronze.

I have said this on many prior occasions but team Hazelwood continue to amaze me with their high quality performances. An outstanding group and some very proud coaches. Well done all.

WHOOP, WHOOP! So proud. It was a SUPER exciting day, the performances from our Year 4 and 5 teams so very impressive. Thank you Hazelwood School.

If you would like to see just how much Mrs Higgins wanted Thomas to win, email bursar@hazelwoodschool.com and all will be revealed in next week’s Nutshell!
More Athletics Success
The U8 and U9 girls really enjoyed their athletics competition at CLFS on Tuesday. All of the girls worked together as a team to compete in throwing, jumping and running events. For most girls, this was the first athletics competition they had taken part in and they gave it their all. Everyone performed brilliantly but some special mentions should go to the girls who won their races:

Under 8s:
600m Winners: Grace Scott and Rosie Payne.
Vortex throw winners: Evie Moore and Lydia Octave.
Long Jump winners: Isabella Warde and Esme Willetts
75m sprint winners: Isabella Warde, Grace Scott and Poppy Jordan.

Under 9s:
600m Winners: Polly Stanley
Sprint winners: Ella Godfrey, Michelle Manissero, Julia Fowler-Naismith, Polly Stanley, Ariella Tulett, Jaslyn Cole

Good Luck to Charlotte P, Francesca W and Charlotte R who are all rehearsing madly for the Glow Theatre’s production of Cats which takes to the Barn Theatre’s stage next week. The much loved musical is a treat for the whole family with unforgettable songs such as Memory, Macavity and Old Deuteronomy. Enjoy the show girls; you’ll all be purr-fect!
The school is delighted to share its new advertising creative. Following on the successful and impactful Image campaign, the new approach is based on the a-z of Hazelwood and allows the school to tailor the message, the size and placement of the ads. Comments and feedback, as ever, gratefully received at bursar@hazelwoodschool.com

The Year 4 children practised their spelling with alphabetti spaghetti this week. A lot of fun was had by one and all.

Masterminded by Archie P, the pupils of Year 6 staged a cake sale and raffle in aid of Saving the Rhinos. Mrs Proctor is to be applauded for her rhino character cake which was raffled off to raise extra funds. There were plenty of cakes and plenty of hungry mouths to feed! Well done Archie and the whole of Year 6. The children were delighted to discover this afternoon that the supplier of the school’s exercise books is also a supporter of the Rhino charity.
6P held their much anticipated cake sale today in aid of Savetherhino.org.

Inspired by the rhino documentaries featured recently on BBC Newsround, 6P were not only moved by the plight of the rhino, but also chose endangered species as the key feature of their chapel assembly. However, in learning that rhino could be extinct in the wild within the next 15 years, 6P were also determined to act.

Posters were designed, printed and popped up all over the school; reminders issued, and the parents of 6P were set a hectic baking challenge.

The results? A fabulous array of cakes, muffins and cookies that were completely sold out by the end of break. 3 cakes were raffled with the lucky winners being:

1st Miss Clayton
2nd Rosie Payne Year 3
3rd Lola Bennett Year 3

6P raised the magnificent total of £352.88

I would like to thank all of the pupils and staff for their enthusiastic support, the parents of 6P for their amazing baking contributions; but most of all I would like to thank 6P. This was team work at its very best. It was entirely their own project, from the conception to counting the final pennies raised. 6P’s group planning, attention to detail and delivery was both impressive and highly commendable.

Mrs Phillimore

Some more examples of the cardboard and chicken-wired articulated limbed creations of the Year 8 children last week. The range of responses to the same brief shows quite clearly how independently minded the children of Hazelwood are. Some great ideas on show.
On one of the few sunny days this week, Oak have enjoyed being mini-beast explorers. They are now awaiting another dry day to further explore!

The children in Oak Art Club spent 3 weeks perfecting portraits in the style of Paul Klee with amazing results.

Smoke signals sent from the Forest Schools' wood

“2P, dinner’s ready!”
Some of the Gold Award winners awaiting their pizzas at Pizza Express on Wednesday night. Luckily Mrs Shaw only has to eat one pizza total rather than one pizza for every child!! With so many children doing well, her appetite for pizza is waning.

As part of their Leavers' Programme, the Year 8s visited Kidzania during the week, an interactive careers exhibition where the pupils were able to gain hands-on experience of a wide range of different occupations and vocations. Midwifery, the Police force and being a Rock star proved popular attractions. Thank you to Mrs Bean for organising what was a fascinating day.

**HPA**

**Congratulations to the June winners of the HAP 200 Club**
The winners are:
1st Peter Flanagan £60
2nd Gail Greenwood £30
3rd Mel Lewis £15
**News from the Kitchen**

Please don’t forget that the new menus for both Hazelwood School and the Nursery & Early Years are now on their respective websites under The Parents’ Sections.

**REMEMBER** that Monday is BBQ day. Come ready for ribs and sticky fingers! Tuesday is NACHO Day. Look out for the Mexican Bandits who will magically morph into Neapolitan chefs for Wednesday’s Pasta Party!

**Music Timetable**

The weekly music timetable can be viewed on the Music Notice Board outside the Dining room in the courtyard. I will endeavour to have the coming week’s music timetable on the notice board by the end of the school day each Friday. Please ensure that your child brings their instrument and music in on the relevant day. It is also important for them to take these books and instruments home when they do not need them in school.

**Sports Department**

**Match Reports** should be taken to Mrs Greenwood or emailed to her on headspa@hazelwoodscoma ahead of assembly on Monday morning. If your child is nominated as captain, please encourage them to write the report in time for the assembly. The children do like to share their successes with the rest of the school. Thank you.

**Notice Board**

**Nanny available for full time contract**

I am a nanny with 22yrs experience, 1st aid and CRB checked. I have great references and I have worked for a family at the school before. I am looking for a full time position. Available from 25th July.

Nicola Outred 07832142001
The following letters have been sent home this week. If you need a duplicate copy, please contact the school office.

Pupils going into Y3-8 Sept: Daily Tea & Prep Sessions
Chapel Choir: Year 8 Leavers’ Service
Pupils going into Y1-8 Sept: After School Clubs, Late Rooms, Breakfast Club
Autumn term
Music Lesson Application 16/17
School Bus Services 16/17 – Information & Register of Interest

Year 5: Pupil Devices

Lost Property

Congratulations to Darcy F and Grace who, after winning three categories in the Cowden Dog Show, went on to win Best in Show. Well done to both.

Please see Mrs Powell in the School Office if any of the items pictured to the left are yours. At the end of term they will be disposed of….

For Sale for only £750

An excellent quality ‘Home Front’ Hill Fort with Monkey Bars. Bought from and built to a bespoke design by Adventure Zone in Wrotham.

Less than 3 years old and in great condition.
Have been advised it is worth £1000!

It has been recently carefully dismantled and in store in our garage. I can recommend an excellent handy man who will transport and re-assemble at cost.

Please contact Clare Roberts on 07828 409065/ 01883 715055
