

The Nutshell

Hazelwood School

I was delighted this week to be able to finally announce the identity of Hazelwood's new Deputy Head (Pastoral) with effect from September. These situations are always delicate and require a good deal of collaboration between the upbeat school, looking forward to sharing news of their excellent new staff member, and the disappointed school, dreading the announcement to their parents that a valued member of the team is on their way elsewhere. Any delay in sharing the news with our parents was out of respect for Mr Russell Shepherd's current school. Now that the cat is out of the bag and the news is widespread, I can officially acknowledge mine and the Governors' absolute joy at Russell's appointment. He will bring a wisdom, a wealth of relevant experience and a love of teaching and learning to Hazelwood. During his two-stage interview, he showed compassion and empathy with the pupils, striking up instant rapport with the children in the lessons he taught. As part of the interview process, the children were given the opportunity to interview all the candidates. They were all put through their paces by some budding interrogative journalists. Russell kept his cool throughout and emerged as the children's champion. Outside the classroom, Mr Shepherd is an accomplished sportsman being used to coaching rugby and hockey. I know you will find him to be personable, committed and approachable. As I said in my letter, I am hoping to agree some dates for Russell to visit us at Hazelwood. I will keep you informed of when these are so that some, at least, of you may be able to call in for an early 'Hello'.

The good news about Russell was countered slightly by the disappointing news of Mrs Darvill's departure from the Nursery and Early Years. She is leaving to pursue other opportunities. We wish her well and thank her for all that she has done for the Nursery and Early Years in the 18-month tenure of the role. Any messages of thanks or good wishes can be left at the Nursery and Early Years Reception with Mrs Twyman who will ensure that they are passed on. For the wonderful team at the Nursery, and in Oak Reception, life continues as normal with their passion and dedication for what they do (and do brilliantly) shining through the slight murk of uncertainty which has shrouded the site over the past two weeks. The activities in each of the rooms has been raised a further notch on the Scale of Inspiration and the displays around the site are vibrant and engaging. Mrs O'Keefe's woodland tree display has had the children hunting around for the owls and woodland creatures who have ventured away from the main display. Once spotted, their errant whereabouts are quickly reported to Mrs O'K in her new office. An infectious buzz greeted me this week when I arrived to teach Skylarks, Oak and Robins' music. The children were wonderful and I really enjoyed our time together. I know that Howard Garlick will do a terrific job leading the team on the Nursery site. All I can do is apologise to those Prep School parents who were hoping that he would return to the main school site for the start of the new academic year in September.

I would like to take this opportunity of thanking the HPA for agreeing to fund a number of school and nursery projects at their Committee Meeting on Monday evening. The largest project supported was the purchase of a new piano for the Chapel/Music Room. The Yamaha piano was picked out of thirty or forty instruments played and road-tested by Mrs Young and Mr Hewitt. They found it to be responsive to the lightest of touches and to be therefore perfect for the hands of and pressure applied by our young musicians. It was delivered on Tuesday and looks resplendent in its new home. Such was the excitement of Mrs Young that young Camilla S was unable to resist her cajoling and she found herself seated at the piano, encouraged to try out the new piano. Camilla was spell-bound, her face

Congratulations to all the children whose places have been confirmed at Lingfield Notre Dame for September. You should all be proud of your achievements.

breaking out into beaming smiles as she put into practice some of the skills and techniques learned at last half term's piano workshop. She was mesmerised by the range of dynamics possible hitherto unobtainable on the school's other practice pianos. Thank you to the HPA and to the parents across both sites whose fund-raising makes these kind of magical moments possible.

Talking of special news, it is now official. The school

requires another cabinet to house its ever growing collection of sporting silverware. This week it was the turn of the U11B netball team to return from the St Michael's tournament clutching the winners' trophy. There were runners-up medals for the U11A team too, losing sight of their own trophy by just one goal. Our cross country teams from the Lower School did well at Hilden Grange with the U8 boys and girls being narrowly beaten into second place. There were individual medals for Florine R (U8) and Daniel A (U9) both of whom ran committed and focussed races to clinch the silver medal. Daniel was lucky enough to watch Mo Farah set a new indoor British Record at the weekend which seemed to spur him on as he set out to follow in the footsteps of his track hero! Well done to all our sporting champions and to the children of Year 3 and 4, across all the teams, who managed to play netball and rugby in the high winds of Thursday afternoon. Hurricane Doris truly helped blow the cobwebs away leaving our minds and the site clear of unwanted clutter and debris!

And finally can I say how excited I am about the fast-approaching inaugural Interhouse Pancake Race which is taking place on Tuesday. I have been afforded the honour of starting the race which will see House Captains and representatives from each of the four houses making a dash for it carrying a frying pan filled with one of Head Chef Dave's special bouncing pancakes! Before handing over the brightly painted frying pans, each competitor will be required to toss the pancake three times – three clear and fully flipping times. Judges will be on hand to ensure that there is no foul play. The winning team will lay claim to the

Upper School Maths Trip: dates now confirmed as 30th October 2017 (depart) until 3rd November (arrival). Letter to be updated and resent to parents on Monday. Interest and deposit to Mrs Phillimore as soon as possible. Thank you.

Golden Frying Pan an award which will sit very proudly above the house notice boards in the Dining Hall. Thanks to Mr Lloyd for organising the race and good luck to the children taking part. All pupils will be there to cheer their house-mates on, eager for some clean and fast flipping fun!

For a list of emails/letters/texts sent home each week please see the 'Notice Board' further down the Nutshell.

News from The Nursery & Early Years

The children have returned from half term with recharged batteries and a renewed desire to explore, discover and learn. Slightly warmer weather and a definite hint of spring in the air together with slightly longer daylight hours casts a spell of expectancy on all of our children and staff alike. Let's hope Storm Doris doesn't put a dampener on this!

Fledglings 1 have been exploring opposites and enjoying the book 'Bathwater's Hot'. They have started to create a beautiful night and day board with some lovely stars and moon collage work. The children have enjoyed singing Twinkle Twinkle Traffic Lights.

Fledglings 2 have been having great fun 'Under the Sea' with the creation of an underwater scene using bubble wrap to paint, creating coral, fish and plants. There has also been a lot of messy play with sea animals hidden in jelly, coloured custard and cabbage play.

Top Robins have also been looking at sea creatures and have been exploring sea creatures in water and ice. They have been perfecting their puzzle skills and had great fun with spaghetti play.

Bottom Robins have been looking at Handa's Surprise this week. The children have enjoyed the Savannah small world play and have been getting creative with African masks and necklaces. They have also been trying exotic fruits like avocado, pineapple, mango and passion fruit.

This week in Skylarks the children have been working around the theme of superheroes. We have discussed how superheroes stay strong and healthy and have made superhero fruit kebabs. The children enjoyed superhero training camp where they completed obstacle courses.

The children have created their own superhero masks and have enjoyed sharing with their friends who they are and what their special powers are. We have also been working on ordering the size of objects and continuing to blend sounds orally to sound out words.

Oak have enjoyed exploring 3D shapes. making junk models, finding out which shapes roll and which slide, and looking for 3D shapes around the Early Years site.

We have also discussed feelings and explored colours that represent them. Mrs Taylor's class have chosen a feeling and created a clay face to show this.

Reminders for next week and w/c Monday 27th February

Thursday 2nd March – World Book Day. Children are invited to come to Nursery & Early Years dressed as a character from their favourite book.

Please could any borrowed uniform be returned to the Nursery office. If you have any spare tracksuit bottoms – please feel free to donate to our spare clothes box!

Plea for a donated indoor cage for our Guinea Pigs. If anyone has a suitable Guinea Pig/Rabbit indoor hutch we would be very happy to rehome it here at the Nursery & Early Years. Please contact Amanda Twyman on earlyyearsreception@hazelwoodschool.com

News from Hazelwood

Prep School Photography: Tuesday 28th February

Moya Slade will be with us on Tuesday 28th February to capture the children at work and at play around the site. She will be there at the start and the finish of the Interhouse Pancake Race and will be moving around the site visiting the classrooms. Can we ask that the children are sent into school on Tuesday in the full, and correct, uniform and that their hair at least starts off the day neatly brushed and faces and clean and eyes bright. Thank you.

Date for the Diary: Senior Schools Fair

The school will be hosting its biennial Senior Schools Fair on Saturday 9th September from 9am until 12 noon. So far we have had invitation acceptances from twenty-four schools so the school is confident that the event will be the biggest staged yet. The Fair is open to all families at the school and in the local community giving everyone a chance to begin early discussions with the region's finest Independent Senior Schools. We look forward to welcoming schools such as Ardingly, Bedes, Croydon High, Epsom College, Hurstpierpoint, Canford, Whitgift, Kent College, Lingfield Notre Dame, Boxhill and Lancing College (amongst others) to the Sports Hall. Do please put the date in your diary and extend it to friends and neighbours for whom the event may be of interest. Parents who have attended previous Fairs have found them to be most useful and illuminating.

Two-times congratulations to James Munns (Y7) who recently landed himself some prestigious sponsorship from Stapleford Park, a luxury hotel and sporting estate owned by the Royal Family of Brunei. The sponsorship is supporting James' blossoming golfing talent and will allow him to continue to train and develop and compete on the highest of stages for young golfers of his age. He secured the support on account of his talent but also on account of his confidence, maturity and composure when he met the hotel's CEO. Mum, dad and sister Charley are understandably very proud. Equally exciting news is that James has also been invited by Fulham Football Club to play for their Academy for the forthcoming year. Another fabulous achievement in a hugely competitive arena. At some point in the future, James may be faced with a difficult decision – golf or football. For the time being he is loving both and enjoying every minute of his well-deserved success. The school too is immensely proud. Well done James!

"My son really appreciated the mock interview you gave him today. He really appreciated it and said "He knew exactly what he wanted to say, the teacher just gave me some better words!" Thank you for giving up your time to do this and for boosting his confidence."

Mr Brownless stands proudly by his 'train' of music stand carriages which he created to overcome the daily problem of moving stands in and out of the Bawtree Hall safely and smoothly. Thank you Mr B, a job well done!

Congratulations (still) to the U10A Netball team for their tournament victory last half term. Well done to Poppy, Esme, Grace, Lydia, Eliza, Isla and Natalie.

World Book Day Thursday 2nd March

REMINDER! - dressing up as a character from a book for all pupils who would like to in Years 1-4. Please bring £1 if dressing up to donate to BOOK AID INTERNATIONAL. One pupil from each form will be awarded a book prize for the best costume.

Please do allow your children to bring in some money (20ps/50ps/£1 coins in a named envelope) to spend in our second hand book sale. ALL proceeds will go to BOOK AID INTERNATIONAL.

Our theme - how do books aid us? Have a chat with your children about this. Every pupil will receive a World Book Day voucher. Book Mark competition winners announced!

Thank-you for all your support.

Monday Happy Meals are coming to Hazelwood's Dining Hall from next week. Specially chosen by the children, these meals are guaranteed to put a smile on everyone's faces!

Spotlight on Summer Term Clubs!

Ultimate Frisbee!

Learn the rules of Ultimate Frisbee, play competitions in teams. Learn skills that you can teach others!

Quidditch Club

Learn the rules of Quidditch. Enter the UK Quidditch league (if wizardly enough!) Broomsticks provided!

Kayaking

Travelling by mini bus with a packed tea, 50m confident swimmers only, work towards your Paddle Power award. 6:50 return to school.

Racquet club

Not to be confused with Tennis Club. Try your hand at all racquet sports, from badminton to table tennis!

End Tuesday with a bang investigating all things science with Mrs Brighting

Forest skills

Into the woods with Mr Walton for den building, cooking and forest safety fun.

Give me a D...give me an A....

Join Miss Dancy for some cheerleading tuition. Perhaps even learn a cheer for your house on sports day! Cheerleading will run alongside Glee club on a Monday.

Tree house Club

Enjoy the summer weather and our fabulous tree house. Play games, run around, make wind catchers. If the weather is bad listen to stories inside!

The email regarding Summer Term Clubs went out this afternoon to all parents. Get your applications quickly to bag places on some amazing after school activities. Fingers crossed no-one is disappointed!

Hilden Grange Cross Country Event

On Tuesday the Hazelwood U8 and U9 pupils took part in the Hilden Grange Cross Country event. It is a lovely course, very simple, 1.2km in length and ideal as an introduction for many of the competitors who are new to distance running.

First up were the Under 8 girls. Alicia G and Florrie B ran excellent first races. Rosie B, Autumn L and Florine R all finished in the top 20. Florine fought off several other girls in the finishing straight to cross the line in 2nd place.

The Under 8 boys don't lack in confidence and it was shown during the race. They all set off at an exceptionally quick pace. The only question was whether they could maintain it. They did. All the boys finished in the top 20 securing a 2nd place for the team. Well done to Harry E, George A, Sam B, Leo B, Alex B and Jack E.

Many of the Under 9 girls had competed at this event the year previously. Experience doesn't necessarily make the task any easier. The girls did however perform very well with top 10 finishes for Poppy J and Amelie H as well as excellent runs by Isla H, Emmy B, Eliza Y and Grace S.

The final race of the day was the Under 9 boys. As a team they finished 3rd last year competing at Under 8s. They once again finished in the bronze position with some excellent runs. Adam R, Will O-E, Seb T-S all produced great runs. Harry W and Alex P finished in the top 10 and we had another silver medal for Daniel A.

Miss Wills and I really enjoyed the opportunity to see some of our younger athletes perform. We witnessed determination and grit in abundance and a really positive display of sportsmanship. Well done all.

Mr Reay

The grit and determination is plain to see on all the Hazelwood faces at the Hilden Grange cross country event. Without exception all the Team Hazelwood competitors gave of their all. This was reflected in some excellent team and individual performances.

Good luck to Molly, Georgie, Camilla, Edward and Daniel who take to the gymnastics floor mats and vaults this weekend in search of another ticket to National Finals!

In Oak this week, as the focus has been on shape and the third dimension, the learning has seen the children creating 3D clay face models and hunting around the site for examples of objects which go one step beyond the second dimension!

Over the half term holiday, the children enjoying Fun Club were treated to a visit from Zoo Lab bringing them face-to-face- with a range of bugs and creatures. Much fun was had by one and all.

“Designed and Made at Hazelwood”

Design and Technology in schools is critical to the UK’s future success

(The Design and Technology Association 2016)

Design and Technology teaches pupils the basics of designing and making products ready for further study. Pupils are given freedom to use their knowledge of materials to design unique and original pieces. Sometimes at Hazelwood we will design something and not actually make it, the discipline of researching and designing products is almost as important as the actual making itself. Pupils learn how to adapt and change their designs through problem solving and existing product research. We have really enjoyed introducing Food Technology across the school this year, it is an exciting new subject that I am sure will develop over the coming years.

I am passionate about Design! I like to teach the pupils that Design is all around them and try and get them to look at everyday items with a critical ‘designer’ eye. For example recently Y8 enjoyed a lesson looking at the properties of the new Polymer £5 note.

Technology is ever changing and new materials and making processes are always coming out. It is important to keep designing as a teacher to keep up with the developments. I enjoy making products myself, in particular I like to breath new life into vintage jewellery and make products with silver, gold, and textiles. I constantly try and learn new skills and pass these onto the children in lessons and clubs.

“Design and Technology is a phenomenally important subject. Logical, creative and practical, it’s the only opportunity students have to apply what they learn in Maths and Science – directly preparing them for a career in engineering.”

Sir James Dyson. Founder and Chairman of Dyson and Parton to the D&T association.

Around the Chestnut Classrooms

These fabulous underwater seascapes were created by the talented Year 1 children as part of their Pirates topic. The seascapes capture the underwater mood perfectly and the assorted fish and sea creatures are very life-like and full of movement. With a few octopus lurking in the shadows, any pirate choosing to swim in some of these waters, needs to be careful!

These beautifully vibrant Diwali masks are brightening up 2M's classroom currently. The children have also been investigating Ancient Egypt and the newspaper reports that they wrote as journalists discovering the pyramids and tombs of the Pharaohs for the first time and shown below. Well done 2M, fabulous work!

These amazing masks, inspired by the opulence of the Ancient Egyptian Pharaohs have been created by the children of 2W. The colours are rich and vivid seemingly bedecked with real gold and gems. The patterning and details reflect authentic Egyptian motifs and hieroglyphs and would not look out of place in the sarcophagi of the most famous and wealthy rulers.

An invitation from Mr Trusler

Holcombe (my team) are playing at East Grinstead on Sunday 12th March @ 2pm. If you fancy coming to watch some top flight premier league hockey, then please feel free to come along! Could be a good game as both teams might be battling for a place in the playoffs...

There will be a collection of GB athletes playing, sadly Mike Kemp isn't willing to sign for Holcombe so you'll have to put up with his chat on the side or buy him a pint and he might be quiet!

Year 2's new topic, Dinosaurs, got off to a roaring start this when the children joined Mr Walton down in the woods for some prehistoric investigation and the rekindling of the ancient skill of fire-starting!

PS: the amazing dinosaur is bursting through the wall of 2T's classroom!

The U9 boys get stuck in against the Hawthorns this week. They showed excellent focus and determination in a mixed bag of results for the year group.

Spotlight on Steve Clark – Peri Music Teacher at Hazelwood

The school's Music Department is very lucky to be supported by some excellent peripatetic teachers who offer pupils' an insight into their brilliance and compelling musical worlds through the individual instrumental lessons each week. Steve Clark teaches piano at Hazelwood but beyond his weekly trips to Oxted, did you know that Steve:

Was Musical Director to the BBC Primetime Show at Christmas, An Audience with Shirley Bassey?

Was Musical Director for Craig Revel Horwood's Pantomime at Bromley's Churchill Theatre?

Is UK Musical Director for USA X-Factor winner, Stacy Francis, a series of concerts which will find Steve playing alongside Chaka Khan and the great Stevie Wonder!

How lucky are our musicians?

Welcome back to Mr Somerville

The school was delighted to welcome back an old boy on Friday afternoon. Michael was at Hazelwood c1944-49 with Mr Parry as Headmaster. He boarded in Oak Cottage and remembers the school being hit by a doodlebug with Mr Parry claiming war damages, which included finishing off the grimy sink blocks with a sledge hammer before putting in his claim! He was delighted that the school is still thriving today.

If members of your family, your neighbours or people you work alongside are old boys and girls of the school, we would love to hear from them. Contact should be made, in the first instance by emailing or telephoning Mrs Greenwood on 01883 712194 or headsqa@hazelwoodschool.com

Out of African Adventure for the children in Robins continued this week with examining a whole range of authentic African artefacts before settling down for some small world imaginative play in the African savannah!

SAVE THE DATE: SATURDAY 1ST JULY HPA SUMMER FAIR

Guaranteed fun for all the family with sunshine and blue skies all afternoon. Put it in your diary. The perfect appetizer for that summer holiday mojito by the pool. More details coming soon!

The HPA will be holding another **Boden Party on Monday 6th March**. There will be a wide range of styles, colours and sizes from the new Spring and Summer ranges in TOSH on that day for you to see and try on. Our special discount code will be circulated to all Hazelwood and Nursery parents and staff so you can enjoy the benefit of the discount even if you cannot get to the party itself. The code can be used on orders placed on 6th March and for several weeks afterwards.

There will also be a number of items from the previous catalogues to buy on the day, "sold as seen" (payment by cash or cheque).

Boden will pay free commission to the HPA on anything ordered using the party code so this is a great fundraiser for the HPA and a good discount for you too!

News from the Kitchen

Please don't forget that the new menus for both Hazelwood School and the Nursery & Early Years are now on their respective websites under The Parents' Sections.

World Book Day Menu

A fantasmagorical delight of culinary and gastronomical artistry awaits on World Book Day. Inspired by the writings of Mr Roald Dahl, Dave's menu is bound to tickle the most-sober of taste-buds and tingle them senseless!

- The Witches' Pea Green Soup
- The Twits Wormy Spaghetti
- Wonka's Whipped Scrumptious Fudge Mallow Delight
- James and the Giant Peach hot dog!

Music Timetable

The weekly music timetable can be viewed on the Music Notice Board outside the Dining room in the courtyard. I will endeavour to have the coming week's music timetable on the notice board by the end of the school day each Friday. Please ensure that your child brings their instrument and music in on the relevant day. It is also important for them to take these books and instruments home when they do not need them in school.

**Oxted & Limpsfield Music Society, Saturday 4th March 2017, 8.00pm,
Bawtree Hall, Baily Building**

The next O&LMS recital is an event not to be missed. We are extremely fortunate to have the Arcadia Quartet coming to us on Saturday 4th March to perform Mozart and Haydn String Quartets followed after the interval by the Schubert String Quintet D.956 when they will be joined by the cello virtuoso, Amit Peled. He will be playing on an instrument with an extraordinary musical provenance; the Goffriller cello from 1733 on which Pablo Casals performed from 1913 until his death in 1973. Because this instrument is of such great historic importance it is truly remarkable to have it coming to Limpsfield. There is more information about Amit and his relationship with this wonderful cello in an article published in The Strad in 2014, along with a video.

<http://www.thestrاد.com/video-how-i-came-to-play-pablo-casalss-1733-goffriller-cello-by-amit-peled/>

The Arcadia and Amit are on tour and our recital is the only one they are giving in the UK apart from their Wigmore Hall appearance.

If you require any seats, please apply via the website or via John Doubleday as soon as possible.

The concert will be in the Bawtree Hall where the fine acoustics I'm sure will add to your enjoyment of the evening. It is important to turn up before 7.55pm in order to be able to get to your seats in time. Also, because there won't be anyone in foyer after 7.58pm, access to the Baily Building will not be possible again until the interval due to the security system.

www.oxtedandlimpsfieldmusicsociety.org.uk/programme

Sports Department

U11A Netball look ahead to IAPS

The U11A team went to St Michael's Prep on Wednesday to play in the netball tournament attended by 14 other schools. Storm Doris was beginning to develop and the girls played 6 matches in blustery conditions winning all 6 matches in their section. We then went into the semi-final with St Michael's and won 7-4 which meant we were in the final with Derwent Lodge. We had already played and won against them in our section but in the final we were not so lucky, we could not get the ball into our attacking half and DL won 1-0. I know the girls were disappointed especially as we had already beaten them once but this is sport and hopefully it will make us work as a team for the IAPs next Thursday.

OXTED AND LIMPSFIELD CRICKET CLUB WELCOME NEW MEMBERS

OLCC welcome new members whether playing or social. Young or Old. Male or Female

With 5 Saturday sides, one Sunday side, a Ladies team and junior age groups from under 6 to under 18 we can accommodate all ages and abilities.

We don't expect you to be available every week, so even if you are only around for the occasional game, do get in touch.

Adult winter nets start at Hazelwood School on Sunday 19th February at 19.30 to 21.30. So come along.

For more information contact Nick Emmins nick@nickemmins.co.uk

Match Results - Boys

Team	Opposition	Result	Score
U12A	Yardley Court	Lost	0 – 25
U12B	Yardley Court	Won	55 – 30
U11A	Yardley Court	Lost	15 – 30
U11B	Yardley Court	Won	25 – 20
U11C	Yardley Court	Lost	25 – 50
U9A	Hawthorns	Lost	0 – 5
U9B	Hawthorns	Lost	5 – 20
U9C	Hawthorns	Won	40 – 35
U9D	Hawthorns	Lost	35 – 40

Fundraising for LimbPower

I'm fundraising for my lovely friend Kiera Roche, by running the Thorpe Park Half Marathon on the 26th of February. Kiera runs her very own charity called LimbPower. This great charity supports adults and children who have lost limbs for various reasons. Many of you know Kiera I'm sure, she is an amazing lady who is an amputee herself. She is very passionate about supporting other amputees with their physical and emotional needs. Please help both of us with a few pennies, we will be forever grateful. So will the people that LimbPower supports.

Many thanks

Tünde Modra-Swain

“Seeing what players are doing wrong is easy. Knowing what they should do right is not difficult – but helping them make the transition is an art”.

“Caught in front of....”

Photography Competition sponsored by Oxted & Limpsfield
Cricket Club 2017

Oxted & Limpsfield Cricket Club invite submissions of photographs taken at any of our three beautiful Cricket Grounds during 2017, up to and including the judging day in July 2017 for an Exhibition in the Master Park Pavilion during Cricket Week 10-16 July.

Details and rules can be found on the Oxted & Limpsfield Cricket Club Website
<http://www.oxtedandlimpsfieldcc.co.uk>

The Competition is free, easy to enter and open to all comers

Prizes in each Category will be awarded to :

1. Under 11's
2. Under 16's
3. Open category

Picture Subject Categories :

Awards will be given for the best picture submitted (according to Age Group) in each of the following subject categories :

1. “Not Cricket” (Pavilions, Storage sheds, Sightcreens, Tea Tables, etc.)
2. “Out of Season” (Winter and Spring, or pre-season grounds preparation)
3. “Play !” (Playing action. Or inaction)
4. “Over the Boundary” (The Boundary and Beyond, eg. Batsmen waiting to go in, Rain breaks, Spectators)
5. “Complete Rabbits... Can you move, please ?” (Wildlife and Nature, taken in the grounds)
6. Best Master Park Image
7. Best Limpsfield Common (Grub Street) image
8. Best Crockham Hill (Dairy Lane) image

An entrant may therefore submit up to 8 images for consideration by the judges, as long as it is made clear which category each image is to be entered into

Judging Panel : Bob Dalziel, O&L CC President

Sarah Pearce, Head of Brand Image, O&L CC

Stella Scordellis : SMS Creative Photography, Oxted <http://www.smscreativephotography.co.uk/>
