SCHOOL UNIFORM GUIDELINES

Our Appearance

We are committed to maintaining high standards and believe that a neat and tidy appearance is a factor in helping to establish positive attitudes. A smart uniform is very important; it demonstrates the pride that students take in our school and signals their belonging and commitment to our learning community. Pupils' appearance and hair should be smart and reflect the desire to learn. We ask that you follow the basic guidelines detailed below:

Hair

Extreme and extravagant hairstyles in terms of cut or unnatural colour are not permitted. No hair braids. Girls' hair should not be in the eyes. Shoulder length hair must be worn tied up with navy hair accessories. Boys' hair should not be in the eyes. Hair should not be longer than collar length. Hair gel is not allowed. All hair accessories worn MUST be dark blue in colour. Year 7 and 8 girls are allowed to wear hair down, neatly.

Jewellery

Only plain watches are permitted and should be named. No jewellery is permitted except for plain, small stud earrings in line with the stated policy below. Children from Reception through to Year 8 can wear earrings if for cultural or religious reasons their parents wish them to do so. All children are expected to remove them for PE and Games or any activities in which there is a degree of physical activity. Any child who cannot remove their own earrings should not wear them on the days when their removal is required. If a child chooses to wear earrings, the school cannot accept liability for any injury which occurs assuming the above policy has been faithfully followed.

Make-up

Make-up including nail varnish is not allowed.

Access to the Changing Rooms

Please note that parents are not allowed to visit the school changing rooms during normal school times. The doors will be opened at 8am and locked at 8:30am. If emergency access is required, please report to the School Office.

How to purchase School Uniform

Uniform can be purchased from our supplier, Schoolblazer (<https://www.schoolblazer.com/>).

We also have a Hazelwood School Uniform Shop which has a selection of nearly new uniform and school equipment (including hair accessories) for sale – all of very good quality and value. It also has a range of the new uniform garments available in all sizes for the children to try on. The school shop is open, term time only, on a Monday and Wednesday 8am – 9.15am.

A full uniform list by year group is included within this document. Children can wear their summer uniform for the whole of the Summer term and for the first half of the Autumn term. Winter uniform is worn on return after the October half term holiday.

Plain black school shoes should be worn (with no flashing lights). All laces in school and sports should be white or a dark colour to match the shoe. Please no orange, pink or lime green. In addition to this information included within the main shopping area of the Schoolblazer website, please note the following:

Girls (from Year 3 to Year 8) are allowed to wear dark grey trousers in place of the skirt and/or pinafore. They can either be purchased from a high street retailer OR from our school shop

Uniform for Early Years and Oak Reception

Children from Skylarks upwards wear a uniform – a tracksuit and polo shirt for Skylarks and Oak wear an adjusted summer uniform with a blazer in the summer term only (please note the blazer does not need to be worn by Oak in the first part of the Autumn term). Robins also have the option to purchase the tracksuit and polo shirts. Please sew large loops on the tracksuits, blazers and coats etc as it will be easier for the children to hang them on their pegs.

All children will need a warm coat, hat and gloves in the winter (regulation school coat, hat and scarf for Oak), a sun hat for the summer and wellies and waterproofs as your children will be using their fantastic outdoor areas all year round and not just when it is sunny!!

Lost Property

We encourage pupils to take responsibility for their possessions and to respect the property of others. Parents are requested to support their children in this process by clearly labelling all items that come into School.

At The Nursery and Early Years site parents should, in the first instance, go to your child's room in search of any mislaid items and speak to the Room Leader/Teacher.

Any clothing found astray in the Prep School is put in the lost property bins outside the sports hall changing rooms, in the basket provided in the locker area in the main building, in the box provided in the Chestnut building foyer. Other lost property is taken to the School Office. Children should be encouraged to look in these containers for lost property. Parents can ask the School Office for assistance.

At the end of each term all lost property baskets are checked and named lost property is returned to the child's peg or locker. Unnamed lost property is put on display in the dining hall for parents to view on the last day of term after which unclaimed property is donated to charity.

Labelling your uniform (Years 1-8)

Children do lose things and it makes it much easier to return lost property if a child's name is clearly displayed. All items of uniform must be clearly labelled with cloth name tags. Schoolblazer offers the facility to have newly ordered items of uniform *internally labelled* (subject to their terms and conditions).

Sports kit requires external as well as internal labelling. Children also borrow each others' kit so it enables us to identify this quickly and return them! It is the parents' responsibility to get this done prior to the start of the school term. Guidance on where to name each individual item of sports kit is shown at the end of this document. A link is also included for ordering name tags. The label background should be **navy** with the type in **magenta**.

External labelling (Years 3-8)

Please note: items of sports kit cannot be returned to Schoolblazer once external labels have been applied. Please ensure that you are entirely happy with the items(s) before you thread that needle!

Long sports socks should be labelled externally with a small label for each sock half way up the length of the sock. Ankle socks can be labelled with a small label at the top of the sock. Small white labels should also be stitched to the insides (under the tongue) of plimsolls, football boots and trainers.

Consider purchasing 1 size bigger for the training pants and the games shirt.
