

12TH MAY 2023

The Nutshell

Hazelwood School

THE LATEST NEWS AND UPDATES FROM HAZELWOOD

Compassion. Courage. Respect.

Dear Parents,

Last Friday was a truly memorable day at Hazelwood, celebrating the King's Coronation. Led by Hazelwood's Head of English, Fiona Clark created a wonderful day involving a ceremony, singing, tree planting, Royal relays, acts of community service and much more for all the pupils. The next few pages of this Nutshell edition give a fantastic glimpse of how the day unfolded for all our children with a full write up by Mrs Clark on page 2. The Early Years site also celebrated with a picnic outside and various craft activities including crown making and singing. Everyone joined in this special day which was made even more enjoyable by the sun making a welcome appearance in the afternoon.

Parents of Year 7 and Year 8 pupils saw their children in action in the classroom last Friday. The brave group enjoyed lessons in a variety of subjects, with the sessions on DNA, MacBeth and Mr Mac's unique interactive rivers experience in the Bawtree Hall proving particularly popular. Thank you to all our parents for being such good sports!

In the meantime, auditions and rehearsals are well underway for the much anticipated Hazelwood Talent Show taking place on Friday 26th May for which tickets are now on sale. As always, we look forward with great excitement to the evening, not least finding out who our celebrity judges are! We wish the children, and the judges, the very best of luck.

Best wishes

Lindie

CORONATION CELEBRATIONS

After the excitement of last year's Platinum Jubilee, followed by our fond farewell to Her Majesty, Queen Elizabeth II, it is time to celebrate a new era through the coronation of King Charles III. And who doesn't love bunting! How to celebrate? Hazelwood certainly gave it a good go.

The dining room was transformed into a vision of red, white and blue, with flags, banners, streamers, kitchen staff in coronation T-shirts and masks, and of course, our very own Charles and Camilla in cardboard form, to watch us tucking into good old fish'n'chips, plus coronation cupcakes. No broad beans, but it was certainly delicious!

Chestnut pupils visited our local Abbeyfield care home, reaching out to residents and sharing their home-made crown biscuits as well as memories of the coronation of 1953. They also held a service of celebration at St Peter's Church, Limpsfield, and planted a crab apple tree, 'Royal Beauty', in our school grounds as a lasting symbol of this era.

On Friday afternoon, the whole school gathered in the Bawtree Hall for a celebration of assembly, led by our parade of pupils named Charles, Charlie and Charlotte. Miss Charlotte Dancy pulled one name out of hat to be crowned: Charlie Moore in 8L! To cheers from his year group, he was crowned by the Archbishop (Mr Burnett) and took his throne in royal robes, accompanied by Harry Rodford's drum rolls and James Castell's own trumpet fanfare compositions. Pupils with a link to countries in the Commonwealth were then invited to place their flags around our school monarch's throne. To the great surprise of the entire school, we were then reminded of the King's love of Scotland, as Hamish Land processed into the hall playing his bagpipes, and dressed in his kilt. He was brilliant! (I must write and tell the King!) Mr Lloyd shared some of the Welsh language with us, as part of our understanding of the United Kingdom.

We were delighted that Chestnut pupils sang their coronation song for us, 'Sing for the King', word perfect, and led by Mrs Haydock. Finally, we reflected on the late Queen's love of Corgis, our new King and Queen's devotion to their rescue Jack Russells, Bluebell and Beth, and met a canine royal devotee, Sidney the Cocker Spaniel (to the oohs and aahs of the crowd). Unfortunately, he was under the illusion that the toy Corgi was in fact a cat, and could not be persuaded to perform any of his customary tricks.

We then gathered together on the Head's Lawn for a whole school photo, coronation flags held aloft, before the excitement of Royal Relay Races. The sight of pupils galloping up the field on their polo ponies (swimming woggles) controlling shinty sticks with tennis balls was not to be missed! A carousel of royal challenges led by our Heads of Houses involved water balloons, playing cards, stealing the crown jewels and sketching images of a king. Dark clouds stayed away, and it was joyous to spend time together in houses with a highly memorable afternoon.

Volunteering was at the heart of the extra Bank Holiday Monday, and our pupils were challenged to litter pick in their local community, wash a car for someone else, or bake for a neighbour. Many pupils took this on with such enthusiasm; please do send us pictures of any volunteering efforts, and keep it up. Science proves that acts of kindness for others seriously improve your health. If you have borrowed a litter picker, **please return it to the school office to be used in later initiatives.**

CORONATION CELEBRATIONS

CORONATION CELEBRATIONS

CORONATION CELEBRATIONS

CORONATION COMMUNITY

Many people from the Hazelwood community took part in acts of Community Service last weekend. Charlotte C organised a cake stall to raise money for Caterham Food Bank. It was a huge success - everything sold out and they raised over £130! Other bakers included Alex C, Skye I, Esmée and Isaac M, Eleanor K, Alice P, Felicity M and Elliot Wi, Layla Z and Charlie JT helped to run the stall and drum up customers! Kit and Polly did litter picking around the local area to help tidy our local roads and pathways. Well done to everyone who contributed to an act of community service!

NURSERY & EARLY YEARS

Fledglings 1

Last week, Fledglings celebrated the King's Coronation, engaging in lots of arts and crafts including making King Charles suncatchers, now displayed on our garden doors as well as bunting, wreath, a Jewel hunt and crown decorating. On Friday we joined the nursery wide party where the children enjoyed dancing and playing party games as well as decorating biscuits and cakes. The children also made their own cucumber sandwiches during the week which they enjoyed for their morning snack. We had lots of messy trays which was related to the coronation such as a guard and the national flag.

We have also been exploring the deep dark wood. We have seen a fox, owl, snake, mouse and the big Gruffalo which the children have nicknamed him "Gruff" on our adventures. The children have enjoyed listening to the story as well as watching the puppet show where they pretended to hide when Gruff was on stage. In the messy play the children played with different coloured snakes (spaghetti) and used tools such as tweezers to learn how to use a pincer grip. Laura and Becka have been making a Gruffalo with the children where they had to place different facial features on their Gruffalo's face as well as identifying where their face is. The children who will be going to Robins in September have been doing a Big and Small activity with Beth where they were able to identify the Big and Small Gruffalo as well as pretending to be him. Arsha has been making some handprint Gruffalos too which the children put the facial features on independently once dry.

NURSERY & EARLY YEARS

Fledglings 2

Over the last two weeks Fledglings 2 have enjoyed learning about mini beasts. The children have been busy counting spots on a ladybird and making their own bumblebees and spiders. They have loved visiting the pond and exploring all the different wildlife too. They have also enjoyed using tweezers to pick up different minibeasts in the messy tray covered in a huge spider web and have been exploring lots of different habitats where the mini beasts live! Furthermore, the children have made symmetrical butterflies using different coloured paints, exploring natural materials with the magnifying glasses and making their own stick insects too. Fledglings 2 were invited to an amazing picnic lunch with the rest of the nursery and have taken part in many coronation activities. They all beautifully dressed up in red, white and blue and decorated their own biscuit using icing and sprinkles!

NURSERY & EARLY YEARS

Lower Robins

The Lower Robins children have had lots of fun celebrating the King's Coronation. We have been creating some beautiful crowns using corks to print paint. The children have also been practising cutting using children's scissors to make some bunting to decorate our room. In our key groups, we have each collaged our own King Charles using a variety of coloured materials. We also iced some yummy biscuits for the celebration. The Robins children loved dressing up in red, white and blue to attend our special coronation picnic lunch.

This week we have been looking at The Snail and the Whale book. The children have loved exploring our sea animals small world display. We have been talking about the different sea creatures that live in the sea and have enjoyed reading the book at circle time. The children loved going for a snail hunt around the nursery gardens and were able to count how many we could see.

NURSERY & EARLY YEARS

Upper Robins

Last week in Upper Robins we have been preparing for the King's coronation with lots of fun activities and crafts, with a build up to the end of the week where we had a whole nursery picnic and party games. The children particularly loved making a large-scale Union Jack using their handprints and red/white/blue paint, even the teachers have added their handprints to this creation. They have also enjoyed making red/white/blue bunting to hang up in class, making crowns to wear at their picnic, having an afternoon tea with the teddies and making shapes with red/white/blue play dough.

This week the children have been learning about under the sea. They have particularly loved learning about which objects float and sink by placing different objects in the water and then guessing if they would float or not. We have also been sea writing in the blue coloured salt, using paintbrushes, playing with sea animals in the water, using our cutting skills to make jellyfish and making under the sea pictures using different materials. The children have also enjoyed practicing their songs in music for their summer concert and practicing our running skills for sports day.

NURSERY & EARLY YEARS

Skylarks - Green

The children in Skylarks Green incorporated the Coronation of our new King into their topic on 'Kings and Queens' last week. We had majestic role play on the thrones set up in our role play castle, and made beautiful crowns, necklaces, flags and shields to enhance this pretend play. We made castles from a selection of 2D shapes and matched amounts to numbered crowns. The children learned about the Royal family members and listened as we spoke about how British Values underpin what we do in nursery. We had a fantastic whole school picnic and enjoyed icing our crown biscuits, very kindly provided by the kitchen.

This week we have focused upon Superheroes, the highlight of the week being Wednesday's 'dress up' day. We reinforced our language, physical development, numeracy and literacy skills across a variety of stimulating activities including rescuing superheroes from the giant web, negotiating a Ninja obstacle course, measuring Superheroes using maths units, describing the superpower we would like to possess and designing a cape. 'Supertato' and his 'Superveggy' friends visited too, bringing an extra dimension to the children's 'small world' provision.

NURSERY & EARLY YEARS

Skylarks - Orange

Last week Skylarks were in celebration mode as we celebrated the King's coronation. The children enjoyed playing in their castle role play area with knights' costumes, crowns and a royal throne for the King. The children all made various pictures of the union jack and worked together to create wonderful pieces of art. The children made their own crowns which they wore when we ended the week with a fantastic picnic on the grass with the rest of the nursery.

Calling all super heroes! This week the children had a fantastic time dressing up as their favourite super heroes, they even brought along their own companions.... supertatos! We had a great time at music with our themed lesson and everyone enjoyed our Superhero assault course in the garden. The children have been making their own capes and swatted different super sounds and super CVC words!

OAK

Reception Class

Oak has been looking at Jack and the Beanstalk for this part of our topic. The children have enjoyed ordering and roleplaying the story using costumes and small-world toys. They have drawn and painted giants, planted a bean, created a castle stake to hold up their bean and written recounts for part of the story. The children have enjoyed using maths to measure beanstalks, comparing and measure their shoes, and they have even measured parts of their body!

For the coronation, the children enjoyed making crowns, decorating biscuits, and we had a fantastic picnic on the lawn.

YEAR 1

Coronation Dress Up

Year 1 looked absolutely splendid in their blue, white and red dress-up to celebrate the Coronation last Friday. Royal crowns completed their outfits perfectly!

Art Club & Numeracy Day

In the Chestnut Art Club the children have explored the work of the artist Seurat who used dots to create paintings. Following on from this they used cotton buds to create paintings in this style, spending three weeks to complete them.

They also had fun on numeracy dress up day - some very inventive costumes!

YEAR 1

Science Tug of War

The children have been investigating forces in Science. This week the children put 'pull' to the test and they took part in a class tug of war. They had lots of fun playing this game but also explored what would happen if one class pulled on the rope and one class pushed.

Boat Making

The children designed and created amazing boats out of a variety of junk materials.

Please could all
litter pickers be
returned asap.
Thank you!

YEAR 2

Chestnut Coronation & Litter Pick

The children of Chestnut thoroughly enjoyed a variety of events last week to celebrate the coronation of King Charles III. Celebrations started with a service at St Peter's Church, in which the pupils were delighted to share poems and interesting facts about the coronation and King Charles with parents and friends. They learnt about what it means to be a King.

Back at school, the children planted a crabapple tree, made a 'St Edward's' crown, painted commemorative pebbles, made flags, painted portraits of King Charles, and learnt about Westminster Abbey. Later in the day, they buried a fascinating time capsule that contained items that the children felt represented our time. This is now under the Coronation Garden that has been so carefully planted and watered by all the Chestnut children. The afternoon finished with a whole school assembly, when the children sang our coronation song 'Sing for the King' to the rest of the school and then they enjoyed well-deserved ice-creams on the playground!

Well done also to our Hazelwood Community Champions who took some time out of their busy Coronation Bank Holiday to give something back to the community they live in. From litter picking and car washing, to baking for neighbours, so many members of our school found ways to provide an act of service to others. Thank you to everyone who joined in!

YEAR 2

Reading in the sunshine

Last week Chestnut enjoyed paired reading together in the beautiful sunshine!

YEAR 3

Biomes

Every week, we work really hard to complete our homework. In this week's Nutshell, we thought you would like to see some of our creations! Our topic this half term is Biomes.

There are three types of Marine biomes, they are

- 1) oceans
- 2) Coral reefs
- 3) Estuaries

Here are just a few of the animals that you will find in the marine biome:

Fish - Sharks, swordfish, tuna, clown fish, grouper, stingray, flatfish, eels, rockfish, seahorse, sunfish mola, and gars.

Marine mammals - Blue whales, seals, walrus, dolphins, manatees, and otters.

Mollusks - Octopus, cuttlefish, clams, conch, squids, oysters, slugs, and snails.

The marine biome is the largest biome on planet Earth and covers around 70% of the Earth's surface

There are the five major oceans that cover the world, the Atlantic, Pacific, Indian, Arctic, and Southern Oceans.

Marine Biome
- John C, 3A

Marine Biome - Oliver N, 3W

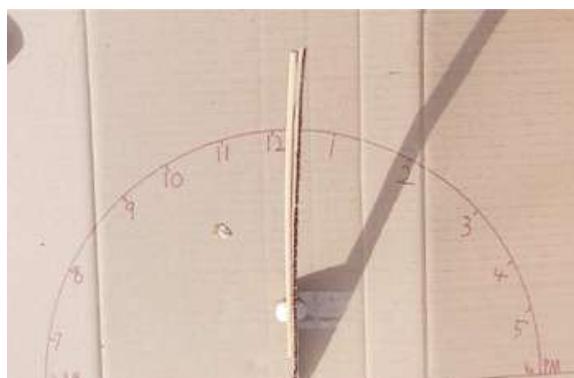

Terrarium - Thomas N, 3W

Rainforest Biome - Fyfe H, 3M

Times Tables - Isabella M, 3M

Sundial - Thomas J-T, 3A

YEAR 3

Food Tech - Chocolate Muffins

This week, 3W made chocolate muffins in their Food Tech lesson, which caused much excitement. They had to measure their ingredients out very carefully to make sure that their mixture had the correct consistency. Cracking eggs into a mixing bowl proved to be a challenge for some, and is definitely a skill to be honed! Nevertheless, the end results looked delicious and hopefully everyone had as much fun eating their creations as they did baking them!

YEAR 4

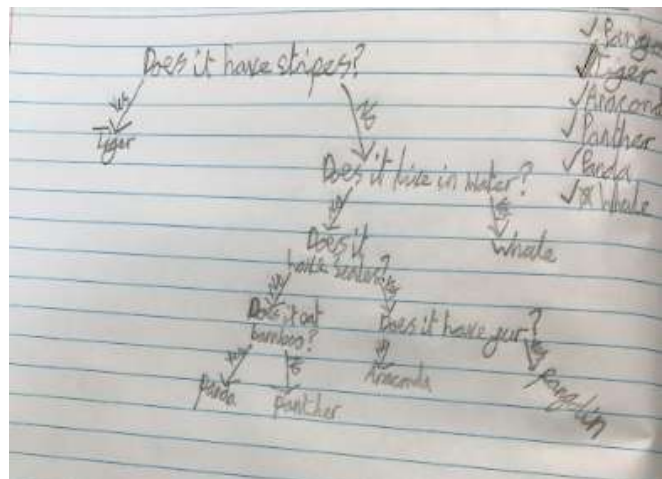

Maths

In Maths, 4N practised reading numbers with decimals, turning these into fractions and rounding up to the nearest quarter, half and three-quarters.

Science

In Science, we have been learning how to classify animals. The children practised differentiating between sweets and then applied their knowledge of animal characteristics to sort groups of both vertebrates and invertebrates. Some super examples of work by Theo J and Henry F are included.

YEAR 5

Book Club

Introducing a new addition to Year 5: the book club! This opportunity lets children read with their friends and enjoy the experience together. With the warmer weather on the way, they plan to take their reading outside and make the most of this opportunity.

YEAR 6

Team Building

All of Y1-Y8 were entered to take part in the London Mini Marathon in School. The pupils needed to run, jog, walk, scooter, cycle etc. one mile in school between Monday 17th April until Friday 12th May 2023.

This year the TCS Mini Marathon is attempting to break a Guinness World Record! The world record we are trying to help break is 'The most pledges received for an exercise campaign in one month'. I have pledged that all of Y1-Y8 will take part, and if we manage to successfully break the record, we will receive a Framed Guinness World Record for the school.

Miss Dancy

Year 6

Coronation Fun on the Field!

Year 6 have had a very busy week with exams. We are very proud of all their hard work this week, well done to all! Here are some photos of them enjoying the Coronation celebrations last week - Royal Relays and Championships!

YEAR 7

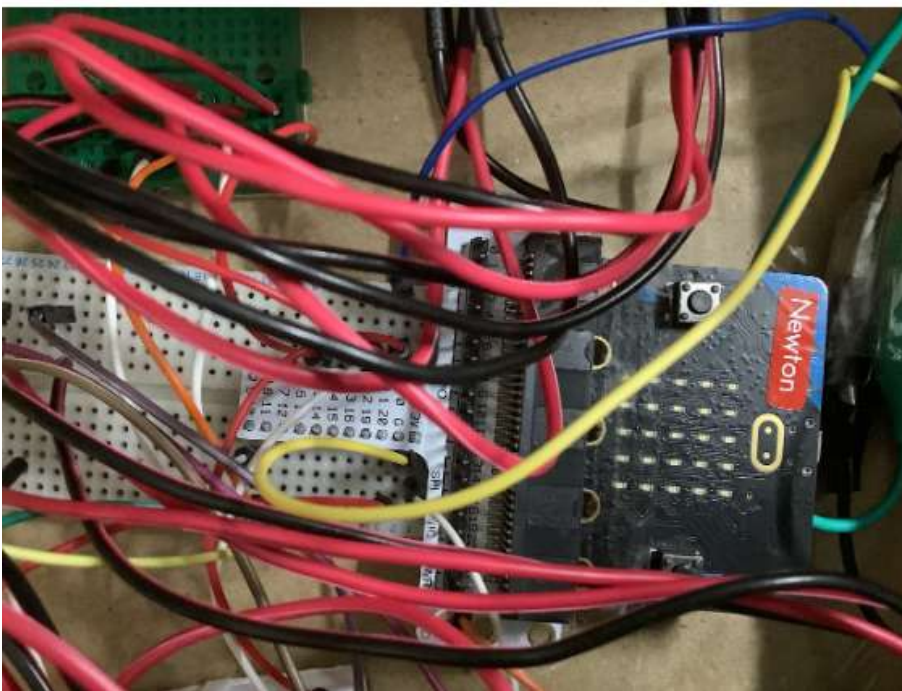

WOW!

George N in Year 7 has designed a 3D noughts and crosses game, using only a shoebox and some wires. This is how he did it.

Operating the Game

Press the button above the power inlet to turn the device on. The 'Change/Start' button will flash on and off. Press this button to start the game.

The device will then choose a random player to start the game. It will flash each player's buttons in turn, slowing down and stopping on the player to start.

"I was inspired by Six Box, I thought of common games that were easy to pick up, and I came across Noughts and Crosses."
George N

Playing the Game

The players have two buttons: one labelled 'Change' or 'Change/Start', and the other labelled 'Select'. If a player's button is illuminated, then it is that player's turn.

Pressing the 'Change' button will move the green cursor one space onward, looping to the start when it reaches the end. Pressing the 'Select' button will place the player's colour at that spot, if it is not already occupied. If it is, though, then the cube will flash red for one second.

Game Rules

Horizontal and vertical 3-in-a-rows can be scored at any location on the cube. Diagonals have to start at one corner and finish at the exact opposite corner. On winning, the winner's buttons will be illuminated and the loser's will not. The cube will turn the colour of the winner's counters.

YEAR 7

WOW!

George tested his game out on some willing Year 8 pupils...

"It's a much more strategic version of classic noughts and crosses which makes it really fun and quite competitive. *George's 3D noughts and crosses is AMAZING!!*"

Lucy A

"It really makes you think creatively and strategically. The structure keeps your mind ticking to see all the ways you can win."

Grace N

YEAR 7

School in Action

Parents of Year 7 and 8 pupils were invited into Hazelwood last Friday for a School in Action session. An opportunity to see the school site, take part in some lessons and get a feel for how children learn in school. Here are some pictures of a humanities session, involving the recreation of a river using a variety of materials and objects.

Year 8

Poetry Analysis

Year 8 took their Common Entrance preparation into the BOX today, working collaboratively on poetry analysis. Pupils worked on a carousel of analysis questions, with teacher prompts, to formulate 'model' answers by adding and challenging each other's responses to questions.

Year 8

Creative Writing

An example of Y8 creative writing with a focus on tension building techniques. Eva gave herself the additional challenge of writing in the present tense and sustaining this throughout the piece.

Like a metal bead attracted to a magnet, I fly through the long, green grass and collapse underneath a sturdy oak tree at the back of my garden. My hiding place. Underneath the fairytale story of the towering branches and billowing greenery, the rest of the world ceases to exist ; the rising tide of pressure from school, family and friends dissipates in to the cool evening breeze, leaving me with nothing but the calming scent of pine and earth. Magnificent moss entangles itself within the withering roots and creates a plethora of mazes and puzzles. Dancing dandelion seeds waltz their way away from me and leap over the rust red fence in to the neighbour's garden.

Slowly, the Sun slips lower in the sky, painting ethereal shadows on the grass and allowing the many birds and insects to stop their chatter. Every so often, a curtain would snatch shut, eliminating light from tall house windows. Even the wind dies down in to nothingness as the darkness descends all around, capturing everything in its' way. Silence in the garden.

Suddenly, a twig snaps, shattering the silence, and leaves begin to crunch as something begins to move. Closer and closer, every second. Time spins and then freezes completely as I listen to the quiet footsteps approaching. Echoing around in my head, the flattening of leaves sounds eerily rhythmical, like a beating drum with no player. Without warning, they speed up, pelting towards my tree, crashing chaotically up the garden with no intent of stopping. Then, they run straight in to me, and I finally receive a glimpse of what they are. My scruffy Labrador grins back at me in the darkness, it's friendly brown eyes glowing like street lamps and silky head nudging me for attention.

Eva T

SPORT

IAPS Swimming Finals

The provisional results have been released for the IAPS Swimming Finals in June. As a result, a huge congratulations must be given to the following pupils:

- U10 25m backstroke Chloe H
- U10 Girls Freestyle Relay Team Chloe H, Flo M, Mila M and Katherine D
- U11 50m Girls Breaststroke Esme C
- U12 50m Girls Breaststroke Ayesha C
- U13 50m Girls Breaststroke Jess K
- U13 50m Girls Backstroke Lucy A
- U13 50m Girls Freestyle Annabel N
- U13 Girls Medley & Freestyle Relays Annabelle N, Lucy A, Jess K, Grace N & Gabby P

The confirmed results will be released on 2nd May. We will of course contact you to confirm the results. The event will be held at the London Aquatics Centre on Saturday 3rd June.

Well done to all those who took part, but a special congratulations to those swimmers who have qualified.

SPORT

Boys Swimming

U8-U13 boys had a gala against Cumnor House Boys - there was some very strong competition. Overall, 35 boys competed for the school team and swam well, many improving on their best times.

Girls Cricket

The U11 Girls B cricket team beat Hawthorns convincingly this week in their match.

Great work girls!

MUSIC

Body Percussion

The Year 3 and 4 pupils have been looking at musical structure, rhythm, and pulse in their music lessons this term, and as part of their topic, took part in a 'STOMP!' style body percussion workshop last week with 'Beat Goes On's' Ollie Turner. It was an energetic and inspirational day full of music and dance, and it has been wonderful to build on their learning in the music lessons since.

ART

Royal Art

Children were set a 15 minute drawing challenge with a Royal theme. The best ones are now showcased in the creative arts staircase gallery.

Royal art from Year 5, 6 and 7 Art Club.

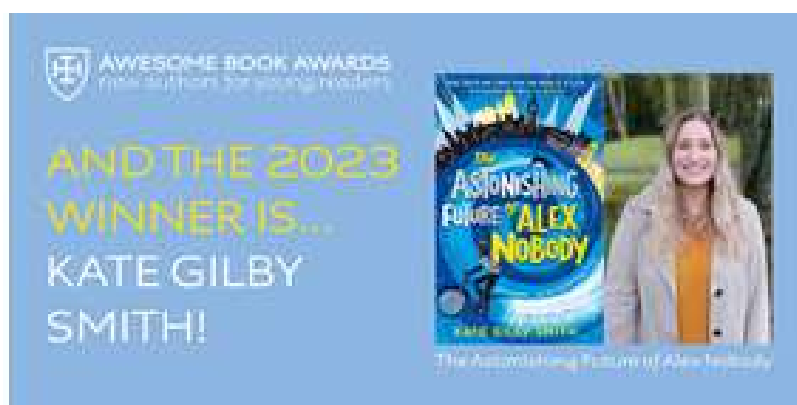

LIBRARY

The Awesome Book Awards

The Awesome awards were set up by Cranleigh School in 2016 and celebrate new authors with their debut books. The years 5 & 6 are asked if they would like to take part, and this involves reading 5 books from October through to April. Once read each pupil ranks their order of preference of book, and the votes are then submitted to Cranleigh and in May the winning author is announced. The pupils are also asked to complete a book review on one or more of the books and these reviews are sent to Cranleigh for a separate competition.

The results are in and the winning author is.....

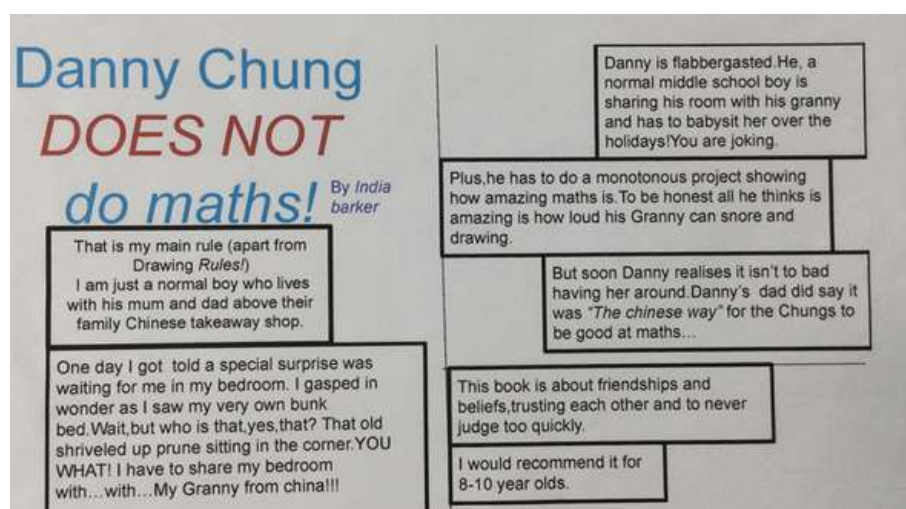

Kate Gilby Smith for her book 'The Astonishing Future of Alex Nobody.' Our congratulations go to Kate for winning this amazing award.

Thank you and well done to the following pupils who took part in the challenge and were invited into the library to celebrate the results!

Katherine D, Charlie JT, Caitlin J, Felicity M, Alice P, Jacob W, Neave W, India B, Darcy BS, Harry D, Pip DH, Matilda F, Lewis H, Mara NB, Scarlett L, Rebecca T and Aiden Z.

Not only that but as in true Hazelwood Style (being a winner of the book review competition since the awards started) We have another winner of the book review completion.

India B (yr6) won a prize for her review of Danny Chung DOES NOT do Maths. Congratulations India! Here is her review.

Area Manager for the East Surrey Arts , Yvette Madden says 'We are really excited about this new singing group as it will give young people based in the East of the county a chance to experience a fun and dynamic singing group and combine music from different genres. We have an amazing tutor and are looking forward to future performances.'

The ensemble will be led by experienced tutor Hannah Carpenter who is a passionate community educator and loves to get young people to sing. Hannah gained a Bachelor of Music (Hons) from Auckland University, New Zealand in 2013. She has since gained her Diploma in Secondary Teaching from Waikato University, Kodaly and Orff certification in New Zealand and Australia.

Hannah is a recent graduate of the 2022 Global Leaders Program, for 60 arts change-makers from around the world, a course with a focus on developing communities through music. Hannah Carpenter is the Music Subject Lead at Ardingly College Prep School and a freelance soprano soloist.

Come and join us in this new adventure under the guidance of our fantastic tutors! No experience is needed just the love of singing and having fun.

Age range: 8yrs to 13 yrs.

Venue: Hazelwood School, Wolfs Hill, Limpsfield, Oxted RH8 0QU

Day and time: Saturday 9am to 10.30am

Cost: £7.70 a session. Those who are members of an area ensemble can take part in this ensemble at no extra cost.

EXCITING SUMMER CONCERT FEATURES HAYDN'S NELSON MASS

Hurst Green Singers' Summer Concert on 13th May is fast approaching and the choir is busy rehearsing to ensure it gives an exceptionally polished performance for this special occasion. The evening of inspirational music will continue the happy mood and excitement generated by the Coronation celebrations which take place the weekend before.

The varied programme curated by the Music Director, James Meaders, will include John Rutter's Te Deum, a jubilant hymn of praise; and Handel's much loved Zadok the Priest, composed for the Coronation of King George II and sung at the Coronation of every British monarch since.

The main feature will be the magnificent Nelson Mass by Haydn, thought by many to be his greatest composition. Written 225 years ago in turbulent times after Napoleon Bonaparte had defeated the Austrian army in four major battles and was threatening its capitol Vienna, the masterpiece is an impassioned work of great drama. Haydn called his work the 'Missa in Angustiis' or Mass for Troubled Times, which definitely resonates with today's global problems. However, it was first performed on the day that Nelson defeated Napoleon at the Battle of the Nile – and hence is known as the Nelson Mass.

The local choir will be accompanied by an orchestra and the solo voice parts in the work will be performed by highly accomplished singers from the Royal Academy of Music: Emilia Bertolini (Soprano); Hera Protopapas (Mezzo-Soprano); Guy Benon (Tenor) and Alex Bower-Brown (Baritone).

The Summer Concert will take place in the Bawtree Hall, Hazelwood School, Oxted on Saturday 13th May at 7.00pm. Tickets are priced at £15 (under 18s are free) and can be ordered from hurstgreensingers@gmail.com or at the door (unless previously sold out). Refreshments are available to purchase after the concert.

It promises to be a wonderful evening of memorable music – so book your tickets without delay.

The Oxted Patient Action Group (OPAG) is your local charity established in 2018 to help raise much needed funds for equipment to benefit patients at Oxted Health Centre.

Over the past 5 years, the charity has purchased items such as vital signs monitors, examination couches, wheelchairs, 24hr ECG and blood pressure monitors for patient use.

After 5 very successful years, the Chair has decided to step aside and allow someone else to take the charity forward. The role is not overly time consuming but will involve working with the Trustees and Treasurer to raise funds and decide how they are spent. This is a voluntary position and no prior experience is required.

If you are interested in the role or have any fundraising ideas, we would love to hear from you. Please email us - opag@talktalk.net.
