

16TH JUNE 2023

The Nutshell

Hazelwood School

THE LATEST NEWS AND UPDATES FROM HAZELWOOD

Compassion. Courage. Respect.

Dear Parents,

The buzz and heat around the Hazelwood sight over the last few weeks has been incredibly special. Not just because of the exceptionally warm weather we have been enjoying recently but because the last part of the summer term is always one of the most exciting times of the academic year, and this year feels no different.

The Year 8s concluded their exams last week and have since enjoyed an array of treats, opportunities and experiences. It has been wonderful to see them relax and unwind after all their hard work. The traditional Hazelwood ice cream van and games on the Head's lawn were enjoyed by all. The Year 8 residential trip to Rome and Sorrento was a huge success and, whilst there are some very tired faces in school today (the teachers more than the children!), I know that a wonderful time was had by all. The children behaved brilliantly and all staff commented on what a credit they were to Hazelwood.

As always, I am particularly delighted to see the sporting successes that our children have enjoyed recently. The cricket, athletics and swimming reports at the back of this Nutshell edition are a joy to read. It is fantastic to hear about our children's achievements across such a breadth of sports and abilities. It truly does support our vision that 'sport should be enjoyed by all' at Hazelwood.

At the time of writing, the Year 4s are on their way back from an action-packed week at Hindleap Warren and Year 6 also enjoyed a royal trip out to Hampton Court Palace this week. Year 2 performed their play with such confidence and conviction to their parents this week and the theatre was transformed into a wildflower garden, thanks to Mrs Housego's incredible, creative backdrop and scenery.

Next week, our much anticipated "Perspectives Week" comes to a head with the Hazelwood Education Showcase taking place on Friday 23rd June. Parents of children in Years 1-7 have been invited into school as their 'School in Action' day to see what children and staff have been working so hard on. It is set to be an inspiring day, full of creativity, passion, courage and innovation. We look forward to celebrating all this work with you in our next edition of Nutshell.

Wishing you all a wonderful weekend.

Best Wishes,

Lindie

HPA Colour Run

The HPA would like to say a warm thank you to all parents, staff and the estates team for all of their help with last weekend's Colour Run. It was a big success and a great school event. The HPA now looks forward to the Rainbow Disco!

HPA Colour Run

NURSERY & EARLY YEARS

Fledglings 1

Over the last two weeks, Fledglings 1 have been learning about jungle animals. The children have enjoyed making different jungle animals for our display board. They have also been making their own animal print matching books and threading pasta onto a piece of string to make a snake. The children have also been looking at daddy, mummy and baby lion pictures and seeing what they can recognise. The children have enjoyed making bear toast and jungle animal biscuits. The children have had lots of fun playing in the garden with the swampy water play. They have also been making structures out of the mega blocks to what they think an animal looks like. In the cosy corner we have been having puppet shows with our new jungle puppets. The children have had lots of fun exploring the jungle sensory bags and making different jungle animal sounds. They have also enjoyed rescuing the lion from the jungle jail and exploring the jungle den.

NURSERY & EARLY YEARS

Fledglings 2

Arrr Ahoy! Fledglings 2 have been enjoying learning about the life of pirates! They have been having lots of creative fun making their own pirate hats, treasure maps using teabags, sticking shapes to make boats and sticking colourful feathers on to parrots. As it's been getting super-hot the children have been loving all the water play with our new bamboo gutters mixing different coloured water using lots of tools and boats.

They have also been using water to clean the pirate ships and putting their hands in water with beads to look for hidden fish. Fledglings 2 have been busy with lots of free flow activities such as colouring in pirate pictures, pretending to walk the plank, using tweezers to pick up coins and building their own ship with mega blocks! And if that wasn't enough, they have also been enjoying adult led activities matching colour and shapes using pegs, matching different size seashells, matching different flags and exploring shells and pebbles in playdough.

NURSERY & EARLY YEARS

Lower Robins

Our topic in Lower Robins has been Pirates. The children have loved making their own treasure maps using teabags to stain paper. We have also been playing the Pop Up Pirate game, taking it in turns with our friends to each have a go. The children made some brilliant telescopes using cardboard and shiny coloured paper. We have been reading stories about pirates at circle time and have been exploring our small world pirate ship.

We have also been looking at different forms of transport. In the garden, we created a role play car wash and the children had fun riding the cars through it. The children took part in a creative activity to make a Robins bus using paints and glue. We have been wheeling cars through different coloured paints to create tracks and explore colour mixing. At circle time, the children have been engaging in group discussion about what types of transport they have used.

NURSERY & EARLY YEARS

Upper Robins

Last week in Upper Robins we have been looking at the topic of holidays. The children have particularly loved looking at their holiday photos and talking about them to us and their friends. The children have enjoyed playing in their ice cream shop that they made last week, making their own ice cream using shaving foam, sprinkles and other toppings. They have also been using their fingers and paintbrushes to make marks in the ocean tray. The children have spent plenty of time outside in the garden and on the grass practicing for sports day. The robin's children have loved practicing singing summer songs for their concert later this month.

This week in Upper Robins we have continued the theme of holidays/summer. With the nice weather this week the children have enjoyed lots of water play and they have especially enjoyed having lots of fun in our new paddling pool, where they have loved going down the slide and splashing each other! Also, this week the children have been making Father's Day cards and painting portraits of their dads to take home for their dads on Father's Day. The children have enjoyed playing in our Robins travel agents, telling us where they would like to go on holiday and making their own passports to take on holiday with them. Lastly this week they have been designing their own flip flops and practicing singing for our summer concert.

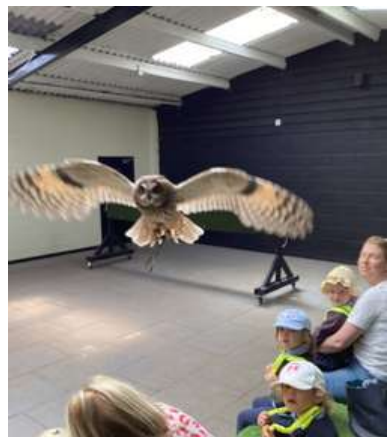

NURSERY & EARLY YEARS

Skylarks - Green

The children on the Green side of Skylarks have been extremely busy since the last edition of The Nutshell. We concluded our topic on 'Eco Week' with a litter walk around the nursery site and by recycling plastic bottles into musical instruments. We discussed the effects of pollution on the environment and learned the meaning of the word 'conservation'. We also iced some biscuits to resemble our planet, Earth.

Last week, 'birds' dominated our learning, culminating in an exciting day trip to 'Eagle Heights Wildlife Centre'. Here the children behaved very well as they witnessed eagles, caracaras, owls and falcons feeding and flying up close, independently asking pertinent questions of the knowledgeable handlers. In the classroom we made our own birds, using our fine motor skills to fold the wings, made textured nests, learned about the life cycle of the owl and fed the cardboard 'bird' specific letters and numbers using tweezers.

This week we have extended our learning to encompass wild, jungle animals. The children have gone on safari in our jungle role play area and build up scenarios around the 'small world' jungle and swamp backdrops. We have worked creatively to produce lion masks and spiral snakes and chosen a selection of animal patterns and fabrics to make our own wild animal. We have still had time to practise for our up-and-coming Summer concert and make some keepsakes for daddy's special day on Sunday. Busy, busy, busy!!

NURSERY & EARLY YEARS

Skylarks - Orange

WOW! What an incredible week the Skylarks children had. The children enjoyed making bird nests and painting the three baby owls from the story 'Owl babies' and exploring counting on the whiteboard. The children were very engaged in the topic of birds and owls which was extended by taking the children on a trip to Eagle heights! The children had a fantastic time watching the bird displays, having a Caracara bird walk around their feet, exploring the other animals and of course having a play on the playground. We would also like to say a big THANK YOU to our parent volunteers who came with us on the trip, the children really enjoyed the day and that was supported by you!

There's been a rumble in Skylarks this week as we've explored jungle animals! The children have been busy painting jungle animals, playing with them in messy play and completing puzzles of animals around the world! We explored jungle animals stories and songs and the children have built their own jungle scenes using various construction resources.

OAK

Reception Class

The Oak children had an exciting pastoral day to start the new term and introduce the second part of their topic, "Do you want to go on a journey?" They used Google Earth to locate their houses and other significant landmarks, created maps to find the Gingerbread man, and followed an obstacle course to map out the story. Additionally, they acted out the story, made Gingerbread man pictures, and went on a sensory hunt to use their senses to describe what they could see and hear.

On Thursday, we had an exciting trip to Chestnut and visited both the inside and outside Box. Our visit began with a lovely tour of the building where we met some adults and listened to a story. We then explored the Outside box and played with Year 1 and 2 children in the Chestnut playground. After that, we shared our learning in the inside Box and had lunch in the lunch hall before returning to Oak. We had a fantastic morning, and when we got back, the children all shared their favourite parts.

At Forest School, the children enjoyed exploring and expressing their creativity by drawing on trees with chalk. Additionally, they had the opportunity to cook their own sausages over the campfire for a delicious hotdog.

In maths, we have been measuring weight, measuring the ingredients to make gingerbread men, and using the Gingerbread men we made to measure the length of other things. We certainly enjoyed eating our gingerbread men! We have also been looking at doubles and sharing equally between two.

During the wonderful weather we have been having, the children have been enjoying making mud cakes in their new mud kitchen out on the decking.

YEAR 1

Literacy

To help Year 1 recall the plot of "Cinderella" in detail for writing they have learnt actions to the story. This is part of the Talk for Writing approach by Pie Corbett which, in the first stage helps children learn and internalise the text. Can you guess which parts of the story the children are performing?

Plants

The children learnt about the lifecycle of a plant. They talked about what plants need to grow and survive and where the best place for a plant would be. They spent some time on the Chestnut playground looking at different plants, sketching them and labelling them.

Science Nature Walk

The children took part in a nature walk hunting for different natural objects. They loved exploring the school grounds, observing and learning about the environment. During the walk, we bumped into Mrs Bilbrough and she showed Year 1 the best spot to look for creepy crawlies. They also located different flowers, plants and leaves.

YEAR 1 & 2

Art Club

In Art Club Year 1 and 2 have looked at the work of the artist Van Gogh. Using pencils, felt tips or pastels they created their own interpretation of his famous series of paintings of sunflowers and "Starry Night".

Sun Safety Posters

YEAR 3

Persuasive Speeches

Recently, we have been learning how to write persuasively and the special language that this entails. Using our class text as inspiration (The Lorax by Dr Seuss), the children assumed the role of the Lorax in his bid to save the environment. After learning how to write persuasively, they then wrote a persuasive speech in the role of the Lorax, addressing the Onceler. Their aim was to persuade the Onceler to shut down his factory and save the environment. Once the speeches were ready, the children went outdoors to create the scene. As the Lorax does in the original text, they stood on a tree stump to present their speeches to the Onceler - they focused on how to deliver their speeches in such a way as to convince the audience. I think we can safely say that all of the Oncelers were well and truly convinced by the powerful persuasive speeches!

Rainforest Day

To launch our new topic for Summer 2, the Year 3 children enjoyed a special 'Rainforest Day'. The first activity of the day was to lead their own research on rainforests. Using various resources, including iPads and books, they chose which areas they wished to find out more about. They then worked in small groups to present their findings in books, which they created by themselves.

Next, the children headed to our very own Hazelwood rainforest! There, they had to hunt for images of various animals that they would find in the rainforest. Once each group had found an image, they were then faced with the challenge of building a suitable habitat for that particular animal. Lastly, the afternoon was spent creating rainforest dioramas using cardboard boxes that the children had brought to school, along with a range of different art and craft materials.

YEAR 4

Hindleap Warren

What a wonderful week Year 4 have had at Hindleap Warren. The list of activities have been endless, including archery, survival skills, rock climbing, forest adventure, team building and marshmallows around the campfire. It's been a brilliant trip and the children have all been wonderful. Be prepared for tired children tonight!

YEAR 5

Music

The Year 5 pupils have been looking at Anna Meredith's 'Connect-it' and thinking about how music can be made by anyone, anywhere in the world - no instruments necessary! They have started creating their own pieces inspired by this, and have thought really hard about how to make their performance visually exciting.

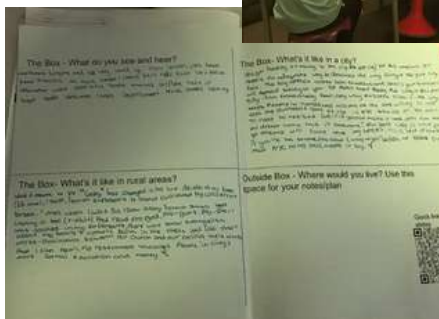

Titsey Estate Walk

Year 5 enjoyed a warm but beautiful walk through the Titsey Estate last week.

Humanities

Having studied the evacuation of children from major cities within the UK to rural environments, it got the children wondering where they would rather live: In the countryside or in a city. At the beginning of the lesson we held a vote and the majority of the class voted for living in the countryside. They then went away and researched what life is actually like in both settings. They then created a presentation looking at both sides of the argument before deciding where they would rather live. There were quite a few changed minds as the reality of living somewhere remote dawned on the children.

YEAR 6

Legoland

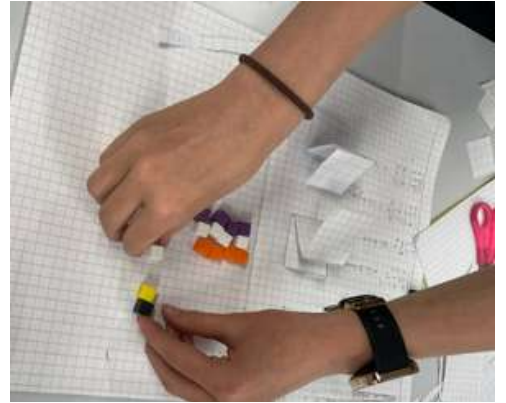

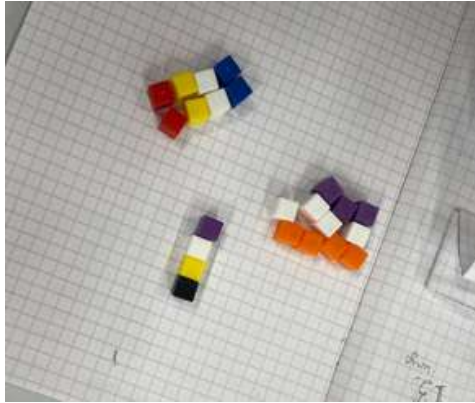

The Year 6s enjoyed a brilliant day in Legoland. The sun shone and the children enjoyed a great mix of rides and creative freedom with lego building.

YEAR 6

Maths

This week some of Year 6 started investigating volume. It was interesting to see that as they filled their cuboid nets with 1x1cm cubes, so vibrant colours and patterns began to appear, inspired by the visit of Pop n Olly perhaps?

Hampton Court

Yesterday, Year 6 enjoyed a day in the sunshine at Hampton Court Palace. They participated in a Henry VIII evidence workshop and toured the Tudor elements of the site such as, the Chapel Royal, Tudor Kitchens, Great Hall, and the Haunted Corridor. The children worked in groups to find evidence and artefacts from the old Tudor Palace and answered questions about Henry VIII. The day finished with an ice cream and a year group photo in front of the Palace.

YEAR 7

Shakespeare Workshop

Skyblue Theatre Company Shakespeare Workshops

On Thursday, Year 6 and 7 pupils explored the wonderful world of Shakespeare in performance with the welcome return of the Skyblue Theatre Company. In the morning, Year 7 helped to retell the story of Macbeth, Shakespeare's famous tragedy of ambition and bloodshed. With Erin P as a sinister Lady Macbeth, and Henry BH as her murderous husband, the year group worked together to explore their motives and emotions. The three witches, Jemima O, Joseph N and Sam D were suitably spooky and atmospheric. Special mentions should also go to Charlie M (Banquo) whose comedy interaction with adult actors caused much hilarity.

In the afternoon, Year 6 pupils embraced the story of A Midsummer Night's Dream, a comedy of clashing cultures, magic potions and falling in love. Mia M, Holly B, Eddie M and Alex P rose to the challenge as the four lovers, confused and bewildered by Puck's magical meddling (Pip H). Imogen G gave Bottom a comic turn, and Rocco K's performance as the wall that separates Pyramus and Thisbe was surprisingly memorable.

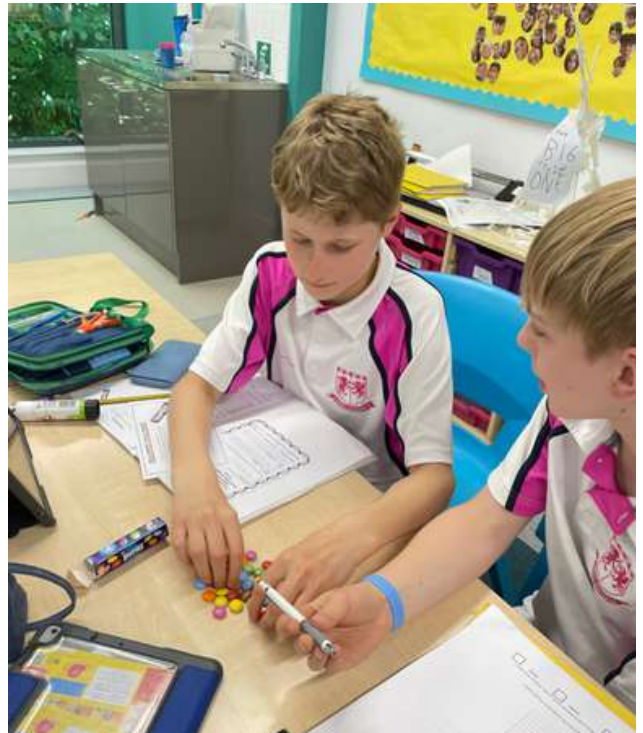

All pupils experienced key scenes performed by professional actors, and discussed how to direct in different styles. It was delightful to welcome the company back to enrich pupils' understanding of Shakespeare in performance, and open their minds to understanding his rich language.

YEAR 7

Maths

Year 7 enjoyed a maths lesson based around smarties and calculating averages. We discovered the mean number of smarties in a tube is 29, well done to Jamie Toohey who got his estimate spot on! We also looked at a colour distribution and found the modal colour to be orange. Pupils then drew a graph to represent their findings and enjoyed a few smarties for their hard work!

Year 8

Rome

There are some very tired children and teachers in school today, but from the stories of the places they visited, the sights they saw, the food they ate and the fun they had, it is definitely worth it. Well done to everyone on a fabulous trip!

Year 8

Stock Broking Elective

Alex L produced this great 1-pager on what he has learned in Mrs Philimore's Stock Broking electives. Great work Alex!

Ever since I participated in Mrs Philimore's stock market elective I have been deeply interested in how the stock market works so much so that I have physically invested in a company. In February 2023 I invested in BAE systems, which is all the UK's army, Navy, Raf ect, I chose as the war in Ukraine has caused an increase in military activity.

| Company | 07 Feb | | 14 Feb | |
|----------------------------|-----------------------------|-------------|-------------------|-----------------|
| | Share price Pence | Share value | Share price Pence | Share value |
| A Knightstone Limited | 880.0 | £5,040.70 | 880.0 | £853.900 |
| B Vista PLC | 247.50 | £2,516.13 | 247.2 | £2525.34 |
| C WOODWARD GROUP PLC (OOD) | 85.29 | £3,267.87 | 84.31 | £102.8800 |
| E new companies - max | | £5,313.70 | | £5,313.10 |
| Hargreaves Lansdown | 934.0 | £488.11 | 949.0 | £61.88 |
| Lloyds bank | 52 | £12.40 | 59 | £2.71 |
| F | | £0.00 | | £ |
| | Total new shares | £660.90 | | £864.21 |
| | | Or | | |
| | Total value of all shares | £3,844.60 | | £12,177.23 |
| | E profit / loss on original | | | £377.40 |
| | % Profit / Loss on original | -1.50% | | 1.71% |
| | Not so happy | Or No! | | well done Happy |

My Spreadsheet from the elective

(I only really became interested as I managed to make £150 in my stock market elective). 🤪

PIC•COLLAGE

MUSIC

Ukulele Club

Next week we have Go Kid Ukulele Club visiting Chestnut classes.

"Discover how easy it is to play the most popular, family-friendly songs on ukulele so you can enjoy time with your kids, make magic memories and rock the campfire this summer!

Our friend Al Start from children's music project Go Kid Music has an exciting ukulele club opening this month.

It's aimed squarely at families with children at primary school - and is a fresh new activity that's easily accessible for all ages.

"This club is different because it includes parents, carers and even grandparents as well as the kids" said Al, who has been teaching ukulele for over 15 years.

"You're never too old to learn the ukulele!"

"I've chosen the most-requested popular family songs for a perfect campfire singalong." Songs include ones for little kids, tweens & teens and classic hits for you grown-ups.

The club consists of:

- An online course (Campfire Ukulele) with pre-filmed video tutorials and downloadable songs sheets
- Weekly streamed Zoom lessons with Al through the summer hols
- Weekly Park Jams for families in the parks around Brighton & Hove!

Registration will be open later this month, but if you follow the link below you can sign up for my free Ukulele Quick-Start video series and get summer-ready!

Come and find out how such a tiny instrument can create such BIG FUN!

SPORT

Athletics

Athletics Meet Report for Hazelwood School Athletics Team @ Hurst Prep Schools Regional Athletics competition :

On Monday, our Year 4 and 5 athletes from Hazelwood School participated in the Hurst Prep Schools Regional Athletics competition, and their performance was nothing short of extraordinary. The team showcased their talent and dedication, resulting in an impressive tally of 12 gold medals.

Throughout the event, our pupils displayed exceptional sportsmanship and represented the school with great pride. They not only competed fiercely but also supported and encouraged each other throughout the various events held on the athletics field.

There were several remarkable achievements during the competition, including the breaking of both Hazelwood School records and Hurst Athletics Meet records. The following students secured first-place finishes in their respective events:

1. Freddie G - 300m - 50.44 seconds (New Meet Record)
2. Libby C - Shot Putt
3. Isabelle C - 300m - 51.79 seconds
4. James E - 70m Hurdles
5. Flo M - 70m Hurdles - 13.38 seconds (New Meet Record)
6. Nico B - High Jump - 1.38m
7. Nico B - Long Jump - 3.88m
8. Will R - Shot Putt - 7.84m (New Meet Record)
9. Immy V - 800m - 2 minutes 56 seconds (New Meet Record)
10. Flo M - 100m
11. Isabelle C - 100m
12. Flo M, Katherine D, Isabelle C, Imogen V - 4x100m Relay

In addition to the gold medal performances, several athletes secured second-place finishes in their respective events, including Milo VB and Millie EH in Javelin, as well as Elliot in the 200m.

The outstanding achievements of our athletes reflect their dedication, perseverance, and talent. The entire team can be immensely proud of their accomplishments, setting new records and leaving a lasting impression on the Hurst Athletics Meet.

We extend our heartfelt congratulations to all the athletes, coaches, and supporters who contributed to the success of the Hazelwood School Athletics Team. The commitment and teamwork displayed by our students exemplify the values we uphold at Hazelwood School. We look forward to witnessing further achievements from these remarkable young athletes in the future.

SPORT

Athletics

SPORT

Cricket

In a delightful display of youthful cricketing talent, the U13-U8 teams took to the field on a sunny and beautiful day, last week. The weather was perfect for a game of cricket, with clear skies and a gentle breeze that added to the joyous atmosphere.

All teams showcased their skills and passion for the game, displaying excellent playing abilities that enthralled the spectators and encouraged fair competition. The players demonstrated commendable batting, bowling, and fielding techniques, showcasing their talent and enthusiasm for the sport.

The U13-U8 players exhibited a remarkable level of maturity and sportsmanship, respecting the rules of the game and displaying camaraderie throughout the match. The coaches and parents cheered on their respective teams, creating an encouraging and supportive environment for the young cricketers.

The results were closely fought. However, the scoreline did not reflect the true essence of the game, which was marked by the joy of playing cricket, learning new skills, and developing friendships on and off the field.

Overall, the U13-U8 teams' cricket match was a resounding success, highlighting the passion, talent, and sportsmanship of these young players. The perfect weather, excellent playing skills, and admirable conduct of all participants made it a memorable day for everyone involved. The future of cricket looks promising with such dedicated and respectful young cricketers in the making.

SPORT

Swimming Results

• Relays

- U13 Girls Medley Relay 6th Time 1:06.45 (6 second improvement)
- U10 Girls Freestyle Relay 14 Hazelwood School 1:08.46 (5 second improvement)
- U13 Girls Freestyle Relay 6th Time 58.07 (5 second improvement)

Individuals

- U10 25m Backstroke Chloe H 10th in Finals 19.28 School Record to qualify slightly slower in final despite just coming out of a leg cast with a broken leg.
- U13 50m Backstroke Lucy A 16th, 38.69 Personal Best, School Record
- U11 50m Breaststroke Esme C 12th 42.80 Personal Best, School Record
- U13 50m Breaststroke Jessica K, 16th 45.40
- U13 50m Freestyle Annabelle N, 10th in Finals 30.72 Personal Best

Summary Report for IAPS Swimming Championships Finals 2023 held at London Aquatics Centre:

The IAPS Swimming Championships Finals 2023, hosted at the London Aquatics Centre, showcased remarkable performances by talented swimmers. The event was filled with excitement and achievements, both in relay races and individual competitions.

In the relays, the U13 Girls Medley Relay team demonstrated exceptional teamwork and determination, finishing in 6th place with a time of 1:06.45. Their remarkable performance included a six-second improvement from their previous time. The U10 Girls Freestyle Relay team from Hazelwood School also displayed significant progress, finishing 14th with a time of 1:08.46, a five-second improvement. Another impressive result was seen in the U13 Girls Freestyle Relay, where the team achieved a time of 58.07, improving their performance by five seconds and securing 6th place.

The individual swimmers showcased their talent and resilience, setting new personal bests and school records. Despite recovering from a broken leg, Chloe H displayed remarkable determination in the U10 25m Backstroke, finishing 10th in the finals with a time of 19.28. Her qualifying performance, setting a new school record, was particularly commendable considering her recent leg cast. Lucy A delivered an outstanding performance in the U13 50m Backstroke, achieving a personal best time of 38.69, setting a new school record.

Esme C showcased her skills in the U11 50m Breaststroke, securing 12th place with a personal best time of 42.80, also setting a school record. Jessica K demonstrated great effort in the U13 50m Breaststroke, finishing 16th with a time of 45.40. Annabelle N's exceptional performance in the U13 50m Freestyle resulted in a 10th place finish in the finals, setting a personal best time of 30.72.

The swimmers' dedication and hard work were evident throughout the competition. Their achievements not only showcased their abilities but also set new benchmarks for their respective schools. The IAPS Swimming Championships Finals 2023 was a testament to their talent, perseverance, and commitment to excellence.

The coaches, spectators, and supporters were extremely proud of all the participants. The event provided a platform for the swimmers to display their skills and compete at a high level. As the competition came to a close, the anticipation for future successes and accomplishments among these exceptional young swimmers grew.

SPORT

DRAMA

The Hazelwood Talent Show 2023

A wonderful evening of comedy, song, dance, and drama. There were 21 acts from across all year groups who performed to packed audiences and plenty of well-deserved applause. The standard was outstanding. The three celebrity judges (Madame Jones, Mrs Herbert & Mrs Phillimore) chose the following winners

| | | |
|----------------------------------|--------------------------------------|--------------------------------|
| Best Dance Act: Amalia Hawkins | Best Drama Act: The Periodic Table | Best Performance: Alice Powell |
| Best Musical Act: Ella Jones | Most Engaging Act: Elliott Wilkinson | Best Vocal Act: Elise Thorpe |
| Most Entertaining: Oliver Mackay | Best Comedy: Compensation Sketch | |

LIBRARY

Overdue Books

It's that time of year when all library books need to be returned or renewed before the summer holidays to avoid the £3 charge per book. For those pupils leaving in years 6 and 8 please make sure all your books are handed back into the library by Friday 30th June. For all other pupils please make sure that your books are stamped with the GREEN date stamp dated 8th September 2023 before you take off for the summer holidays.

Please remember you can check the library management system Accessit (<https://uk.accessit.online/hzl02>) to see what books your child/children have out. All books taken out from Monday 19th June will have a green stamp and therefore will be fine until we return back to school from the Summer holidays.

Reading Challenges

We will be running two reading challenges over the Summer and all details and forms will be included in the last Nutshell of the year. I will be explaining the challenges to the pupils in their upcoming lessons so please do encourage them to take part. It's a bit of fun as well as keeping that very important reading skill going. There are recommended reading lists on the Library Management system where one can check what books are suitable for the year that your child/children are going into and of course you can access our online library and take books out to be read on an iPad or computer whilst on holiday rather than taking a suitcase of books! All books read will count whichever way one reads them if they are recorded. House points and prizes are on offer for those who take part in the challenges.

Thank you - Nicki Wisniewski - Head Librarian

Learning Support Coffee Morning

It was lovely seeing so many of you at the Learning Support Coffee Morning on the 15th June and to share with you what the Learning Support Department at Hazelwood offers to support pupils across the school and nursery.

Our next coffee morning will be on the **20th October 2023**. We look forward to seeing you then but if you have any questions before then, please do get in touch with the team: learningsupport@hazelwoodschool.com.

Beano Bus Tour

<https://b-bakery.com/london/bus-tours/beano-bus-tour>

The new Blamstastic Beano Bus tour around London is available to book until September this year, to celebrate Beano comic's 85th anniversary celebrations.

The route master bus tours around London and includes a themed Beano afternoon tea and an on board entertainer who creates additional fun with Beano quizzes, jokes and pranks.

*Promoted by George Satterly's mum in 3W, who works for Rocket Licensing.

Over half term, Eleanor and her cousins took the Beano bus and enjoyed the whoopee cushion pranks, Isabella enjoyed the comic character drawing activity but all the children enjoyed the delicious themed tea and fun Beano experience!

Kate Tulett best known for her Muddy Stilletto's award-winning Art Gallery (and Hazelwood's Head of Art) and artworks, has recently published a debut book that will capture many hearts and minds with her inspirational words and pictures. The book entitled "Turning Tides" provides an uplifting and raw account of her personal journey, that has been praised for its power to help readers going through similar challenges in their own lives. The book aims to inspire people to start the road to recovery and improve their mental health, through images painted by the Artist and words to explain the reasons behind the appreciation.

Kate's candid account of her own journey through mental illness, including but not limited to anxiety and depression has resonated with readers who have described the book as a soothing balm that touches the heart. "Turning Tides" is much more than just a book; It is a tool that has been proven by readers to rehabilitate the mind and inspire one's spirit.

The book is an emotional account of the author's enthralling life experiences, successes, and trials. Though it is not a one-size-fits-all solution, it is a powerful tool designed to help individuals going through life's challenges to be mindful, and appreciate the simple things in life, while also providing a support system for those battling mental health problems.

"I started to paint and write a book to help me move away from a dark place, but now its turned into something so much more as I want to give back to society and to encourage others to be kind to themselves," said the author. "It was painted and written in a way that will help others understand that it is okay not to be okay, and that there is always someone else who feels the same, they are not alone and there is a light at the end of the tunnel if we are willing to make the journey through it."

The book includes 52 beautiful images of art that Kate has created in her very own art studio in Limpsfield, Oxted.

The book is now available for purchase on the author's website, soon to be on Amazon. GO Get a copy of "Turning Tides" today and begin your journey to recovery!
